MEET THE BARTENDER

Hi, I'm Shae Martin!

I'm a bourbon lover and UK super fan. I've always been a sucker for a small wager on a football game or an intense hand of blackjack. It may sound cliché, but I love bartending! I like talking to people, and I take pride in kindly serving guests their favorite ice-cold drink. My over 20 years of service industry experience started in my family's country restaurant and continued behind the bar of several other Central Kentucky restaurants. In recent years, I've been running an event bartending business of my own, Bottles & Barrels. But, now I'm thrilled to be serving exclusively at Warrenwood. Let's celebrate your wedding together!

FREQUENT QUESTIONS

Do I have to book Warrenwood Bar Services?

A licensed and insured bartender is required for alcohol service, but you can book a provider other than Warrenwood. In this case, you or your bartender must provide all necessary bar equipment and supplies.

When should I book bar services?

Services must be booked at least two months prior to your event, but we recommend booking as soon as possible. We do not guarantee the availability of services until we have received a signed contract and deposit.

When is payment due?

A \$200 deposit is required to reserve our services. After adjustments are made to your quote based on your final guest count, your remaining balance is due 30 days before your event.

Where should we buy our alcohol?

We recommend placing an order with Liquor Barn in Danville because they will deliver to Warrenwood for free.

How do I make payments?

- *Online via credit card or electronic bank transfer*
- *By-Mail via check*
- *In-Person via check or cash*

Do you charge tax?

Yes, we are required to charge 6% sales tax on everything.
