2025 FIRST HOLY COMMUNION PHOTOGRAPHY INFORMATION

What we provide:

- 1) Individual and family portraits will be taken behind the church before/after each mass on the day of your child's First Communion at Holy Family Church. ***You must reserve a timeslot to have these photos done and it requires a \$20 cash deposit at your session:***

To schedule a portrait slot -- please email mariesam.sanchez@gmail.com, visit: fhc2025.mariesamsanchez.com OR scan the QR code at the top right to choose your spot (you can view samples of the photos we take on that site as well).

- 2) Every child will be photographed receiving communion for the first time. You do NOT have to schedule this – we take a photo of every child during communion. We will also take group photo with the children, the Priest and the teachers at the end of the mass.

Photo Order Process: The viewing and ordering of photos are done online approx. 2-3 weeks after the mass. We will email each student a link to view their photo gallery and place their order. Print orders will be shipped directly to your home. If you choose to purchase a digital copy of the images, you will receive download access by email immediately after purchase.

You have two weeks to place your order after the gallery has been emailed to you. The gallery expires in two weeks.

Holy Family Church and the Religious Education Office is not responsible for prices, lost pictures or photos not delivered to you. If you have any questions, please contact MarieSam Sanchez directly at (562) 619-4446 or via email at mariesam.sanchez@gmail.com.
