## “SO MANY PEOPLE SAY OUR PHOTOS BELONG IN A VOGUE MAGAZINE!”

Where to even start!!! Words can't even explain how grateful we were to have Dani and Nikki capture our special day.

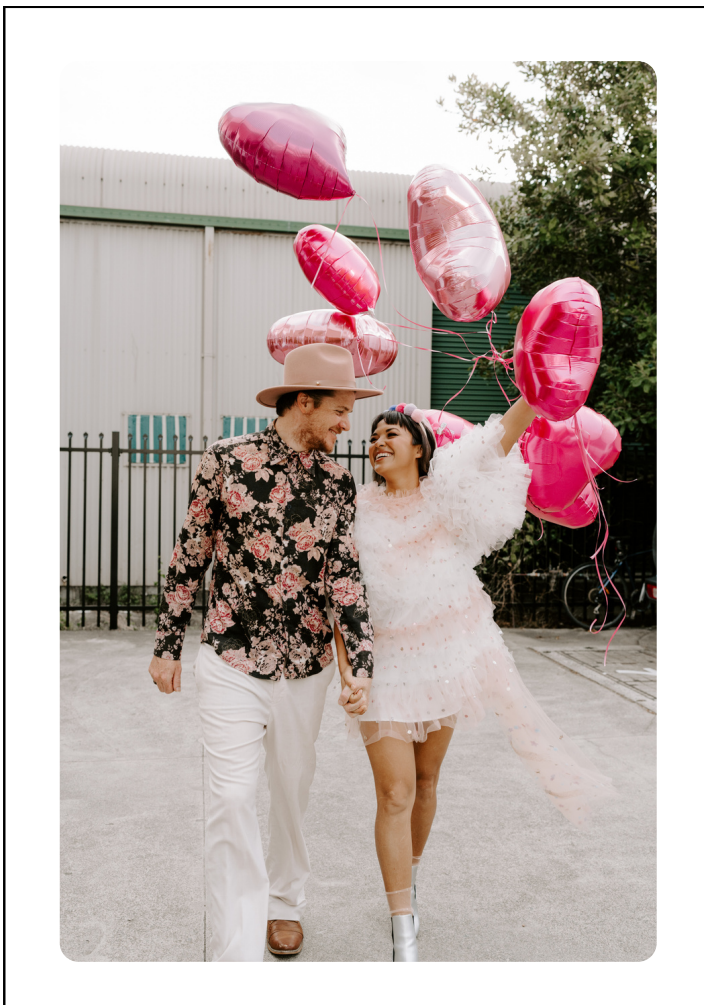

When we started planning our wedding we knew we had to invest in a good photographer and videographer as when the wedding is done the only thing you have to look back on is the photos and video, we both can't stop looking at our photos and constantly have our video on repeat.

You both brought so much joy to our day and we are super grateful we had you guys there. We have had so many people say that our photos belong in a vogue magazine.

## Where are you based?

We are based on the Gold Coast, Australia, but we are always keen to travel all over the globe to capture love.

## How will I receive my photos + film ?

Firstly, we'll send you a handful of sneak peek shots a couple of days after your wedding and you will also receive your trailer roughly a week after your wedding. 6 to 8 weeks later, you'll receive a link to your online gallery and relive your wedding day. Around the same time, you'll also receive your full highlight film via an online link.

## How long will it take to receive our photos?

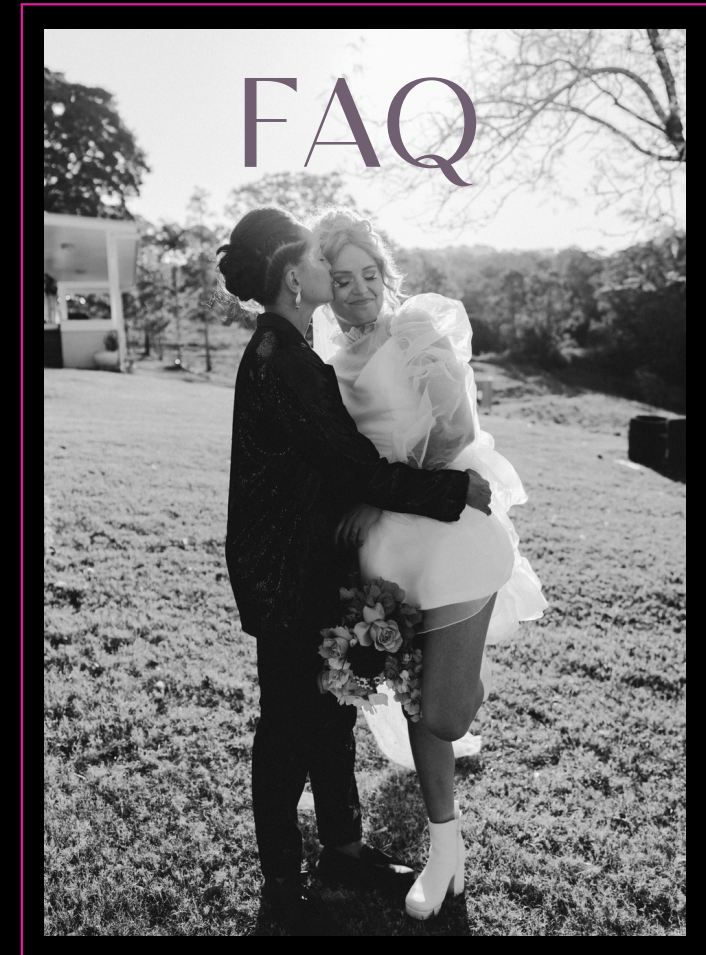

It will take roughly 6 to 8 weeks to receive your final wedding photos and film. We put a lot of love and care into perfecting each image and creating an epic film, which is why it'll take us a little bit more time to deliver your final images.

## We don't want our photos on social media

This is your wedding and if you are uncomfortable with your photos and film being shared on my social media platforms, we will respect that.

## What happens if disaster strikes?

This has never happened and will NEVER happen. However, if it did, we have contacts all over that will be able to step in. These are other talented creatives who will take good care of you.

## Do you have a payment plan?

Yes, we can organise to split your payments into four installments. Just let us know if this would suit you.

## Can I print my photos?

Of course, we'd love for you to print your favourite photos! You can easily order photos prints through your online gallery.

## What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The deposit is non refundable as this helps to protect our business due to turning away all other bookings for your wedding date. We will work with you to transfer your deposit over to another date should you need to reschedule.

## Do you have any vendors you recommend?

Yes, from years of experience in the wedding industry we have come to work with some of the top wedding vendors. If you would like a specific recommendation, just reach out and we will have some suggestions we can send you.
