**Quality steel-framed windows and doors, short lead times and great prices**

**It's the Steel Glazing Company way**

The Steel Glazing Company is a team of experienced glaziers who supply Crittall-style windows, doors, sliders and room dividers. We offer a bespoke design service to those who live in London and beyond.

Our Crittall-style glazed products come with real-steel frames. This style of windows and doors give your property timeless elegance and chicness and are known for being durable and lasting a lifetime.

We serve homeowners, builders, house developers and architects across England and beyond with our steel-framed windows and doors. We cover everywhere from London to Lands' End and back up to John O'Groats.

#### **What do we offer when it comes to Crittall windows and doors?**

We can make any design and size to your specifications, using over 20 years of professional experience installing windows and doors on residential and commercial properties. All our glazed products are made using real steel as opposed to the cheaper and lesser quality aluminium. Our focus is on giving you access to the best quality Crittall-style products at the best prices and exceptional customer service.

What makes us different is that most Crittall-style window suppliers have a very long lead time these days, but that's not the case with us. Today is your day. You've just discovered suppliers of quality Crittall windows and doors who can accommodate you and your project timeline. We deliver with prompt and efficient service so you can the classically simple glazing we offer.

### **The Steel Glazing Company**

#### **Crittall-style windows and doors increase the value of your property**

An ironmonger developed the original Crittall windows in 1884. Francis Henry Crittall manufactured his first windows in 1889. Since then, they've been loved and admired in every property, from Victorian homes to Art Deco and warehouse-style properties.

The thing with buying from the Steel Glazing Company is that you don't have to stop at windows. All kinds of doors, including internal room dividers, sliders and internal hinged doors, are available in the gorgeous Crittall-style these days. You can even opt for external bi-folders or external sliders – the choice is yours.

#### **Where else can you find Crittall-style windows and doors?**

Amongst other properties around the world, you can see Crittall-style windows and doors in many places, including:

- The Houses of Parliament
- 20th Century architecture
- Art Deco and Modernist properties
- The Tower of London
- That gorgeous property on your way to work
- Those fabulous houses along the A4 with huge arch windows
- And more
