Boo Basket Tags

Hello! I am Christina -creative director of The Helpful Host™!

The Helpful Host™ exists to help others celebrate with intention! I am so excited to share Boo Basket or Bucket printable instruction tags with you!

We love that Halloween kicks off the end of the year holiday season, and what better way to get in the spirit than to include your neighborhood! We created the Boo Basket instruction cards - to pass along in your basket or bucket - for an easy and fun way to spread some spooky cheer!

No need to sign your name on the tag, it's a surprise "boo!"

We would love for you to tag @TheHelpfulHost if you post on social media!
