*The word NOW means "At the present time or moment",*

...and as leaders who are going to make a positive difference and inspire those around them, there are three overarching elements we must be comfortable with and get really good at.

## **N.O.W. LEADER**

### **NAVIGATE**

To Guide someone; travel through difficulties.

### **ORIENT**

To Familiarize with new circumstances; to bring into or adjust with relation to circumstances, facts, surroundings, etc.; to provide primary focus or purpose of attention.

### **WELCOME**

To accept, affirm or greet something or someone gladly or willingly.

**THE WAY A LEADER BECOMES GREAT AT THESE THREE ELEMENTS IS BY MAKING THE 6 KEYS TO BECOMING A N.O.W. LEADER AN INTEGRAL PART OF THEIR DAILY ROUTINE WITH INTENT, FOCUS, PURPOSE AND PRACTICE**

By the end of this workshop

**ATTENDEES WILL BE MORE EFFECTIVE AT THE 6 KEYS OF:**

1. Better Decision Making,
2. Dealing with Difficult Employees,
3. Effectively Handling Mistakes,
4. Being Prepared,
5. Handling Differences of Opinion, and
6. Keeping it Together When Things are Falling Out of Place
