FINANCIAL AID

Is financial aid available and would I qualify?

Scholarship funds are available to those families who meet both state and MCDS requirements. Scholarships are awarded from the money the school receives through Pennsylvania's EITC/OSTC program. Thank you to those who participate in the EITC/OSTC program...without you, this scholarship fund would not exist.

Pennsylvania requires that a family meet certain income criteria to be eligible for financial aid. The Household Income Allowance for 2020 are below. The Household Income Allowance usually is the same as Adjusted Gross Income, with a few exceptions. The 2021 numbers are not available as of publication but should increase to reflect inflation.

Single Parent with 1 child	\$ 113,693
Married Couple with 1 child	\$ 113,693
Married Couple with 2 children	\$ 130,710
Married Couple with 3 children	\$ 147,727

(Add \$17,017 for each additional child or dependent.)

MCDS requires that a patron family pay at least 50% of their total tuition. Families who qualify for OSTC or other special funding may be granted an exception to the MCDS requirement.

In addition to the above state and school requirements, MCDS also evaluates other factors. Expected income for the upcoming school year as well as financial hardships are considered. Every effort is made to allocate our limited scholarship funds on a fair and equitable basis according to the financial needs of each patron family.

If you are interested in applying for financial aid and believe you meet the Household Income Allowance, please submit an application for the 2022-2023 school year. The deadline to submit scholarship applications is Friday, April 29, 2022. If applying after April 29, patrons should inquire if funds are available before submitting an application.

A complete application includes the following documents. The application can be found on our website at www.manheimchristian.org under "Enrollment & Tuition Forms".

- 2022 Tuition Assistance Application
- Copy of your 2021 federal income tax return (Form 1040)
- A \$25 processing fee per family (make check payable to "MCDS")
