## PRELUDE FACIAL TREATMENT CLEANSER

---

Powered by Patented MicroFusion Technology, Prelude Facial Treatment Cleanser redefines the cleansing experience with its advanced, science-backed formula. Unlike ordinary cleansers, its patented technology acts like a magnet, drawing out deep-seated toxins, environmental micro-pollutants, and impurities while simultaneously infusing the skin with nourishing botanicals, gentle exfoliants, and potent antioxidants. This innovative technology ensures a deep yet soothing cleanse that leaves skin feeling purified, refreshed, and perfectly balanced—never dry or stripped.

### Uses:

- A powerful yet gentle daily cleanser that effectively removes dirt, excess oil, and pore-clogging debris—without disrupting the skin’s natural moisture barrier.
- Extremely effective at removing makeup, including long-wear foundation, sunscreen, and waterproof formulas, without the need for a separate oil-based cleanser.
- Post-treatment care: Safe and soothing enough to use just 24 hours after non-ablative laser treatments and microneedling, helping to cleanse and refresh sensitized skin.
- Dual-purpose masque: When applied to dry skin and left on for 10 minutes, it transforms into a detoxifying treatment that enhances radiance, unclogs pores, and revitalizes dull, tired skin.

### Who is it for?

Ideal for individuals seeking a luxurious, all-in-one daily cleanser that goes beyond basic cleansing to deeply purify and nourish the skin without causing dryness or irritation. Perfect for those with sensitive, post-treatment, or environmentally stressed skin, as well as anyone looking for a gentle yet effective solution for maintaining a healthy, radiant complexion.

## HYACYN ACTIVE

---

Hyacyn Active is a powerful, science-backed solution for healthier, balanced skin. Powered by hypochlorous acid, this award-winning, odor-free mist eliminates 99.9% of topical pathogens in just 30 seconds while reducing blemishes, itching, and inflammation. Its micronized mist ensures deep penetration into pores without leaving the skin wet, making it perfect for on-the-go use. Designed to restore pH balance, enhance skincare absorption, and address inflammatory conditions such as rosacea and acne, Hyacyn Active is shelf-stable for up to two years, ensuring consistent efficacy over time.

### Uses:

- Post-cleansing treatment: Apply 2–4 pumps directly to the face and neck to restore skin balance and enhance the absorption of subsequent skincare products.
- Toner alternative: Use prior to your skincare regimen for an extra layer of protection and hydration.
- Pre- and post-procedure care: Helps cleanse and prep the skin before treatments while supporting healing and reducing irritation after procedures.
- On-the-go skin reset: Spray throughout the day to eliminate bacteria, calm irritation, and refresh the skin without disrupting makeup or causing dryness.

### Who is it for?

Perfect for anyone looking for a simple yet powerful anti-bacterial and anti-inflammatory solution to support overall skin health. Whether you have acne-prone, sensitive, post-treatment, or environmentally stressed skin, Hyacyn Active seamlessly integrates into any routine, providing fast-acting protection and relief for inflammatory skin conditions.

## RENEWING HA SERUM

---

Renewing HA Serum is a powerful, anti-aging formula designed to deeply hydrate, firm, and revitalize the skin. Powered by Supercharged Hyaluronic Acid and anti-aging peptides, this clinically proven serum boosts moisture levels, enhances elasticity, and restores radiance for a more youthful complexion. By stimulating collagen and elastin production, it rapidly reduces visible signs of aging, promoting firmer, smoother, and glowing skin with each use.

### Uses:

- Daily hydration & anti-aging support: Apply 2 pumps twice daily to maintain firm, hydrated, and luminous skin.
- Prejuvenation: Helps prevent early signs of aging by preserving skin's moisture, elasticity, and collagen production.

### Who is it for?

Perfect for those seeking a high-performance anti-aging serum that delivers deep hydration while stimulating collagen production. With the added benefits of anti-aging peptides, this serum helps smooth fine lines, improve elasticity, and enhance skin's natural glow, providing targeted rejuvenation and prevention for all skin types.

## RESTORATIVE HA SERUM

---

Restorative HA Serum is a clinically proven, ultra-hydrating formula designed to soothe, repair, and strengthen the skin barrier. Powered by Supercharged Hyaluronic Acid, this advanced serum delivers deep, long-lasting hydration while actively reducing inflammation and accelerating the skin's natural recovery process. Ideal for post-procedure care or daily use, it helps calm irritation, support healing, and minimize the appearance of scarring, making it a must-have for optimal skin health.

### Uses:

- Daily hydration & barrier support: Apply 2 pumps twice daily to maintain a healthy, resilient complexion.
- Pre- and post-procedure care: Enhances healing and hydration before and directly after treatments such as lasers or microneedling.
- Skin calming & scar revision: Helps reduce redness, inflammation, and minimize scarring while promoting skin recovery.

### Who is it for?

Perfect for anyone seeking deep hydration, skin barrier repair, and post-procedure recovery support. Whether your skin is dry, sensitive, irritated, or healing from a treatment, Restorative HA Serum delivers powerful hydration and soothing benefits to keep your skin calm, healthy, and resilient.

## RESTORATIVE HA+ MASQUE

---

Elevate your skincare routine with our Restorative HA+ Masque, a luxurious set of five deeply hydrating treatment masques designed to replenish moisture and restore skin balance. Infused with powerful hydrating agents, this masque delivers an instant cooling sensation—like a refreshing drink of water for your skin. Ideal for pre- and post-procedure care, after sun exposure, or whenever your skin craves a revitalizing boost. Safe for all skin types, this masque leaves your complexion soothed, plumped, and glowing.

### Uses:

- Apply after cleansing and leave on for 10–15 minutes
- Use 1–2 times per week for optimal hydration
- Reduces redness and discomfort after procedures such as microneedling and non-ablative laser resurfacing

### Who is it for?

Skincare enthusiasts seeking an indulgent yet effective treatment to deeply hydrate, soothe, and revitalize their skin.

## VIVID BRIGHTENING SERUM

---

Vivid Brightening Serum is a hydroquinone-free solution designed to correct and prevent pigmentation while hydrating and revitalizing the skin. Powered by a blend of ingredients that repair existing pigment, inhibit new pigment formation, and gently exfoliate surface-level discoloration, this advanced formula effectively reduces both red and brown spots, creating a brighter, more even complexion. In as little as two weeks, skin appears more luminous, hydrated, and visibly balanced, without the irritation or side effects commonly associated with other brightening products.

### Uses:

- Daily brightening treatment: Apply 2 pumps 2 times a day to clean skin for a luminous, even complexion.
- Pigment prevention: Helps inhibit new pigmentation from forming, making it an essential step in a long-term skincare routine.
- Red and brown spot correction: Effectively improves the appearance of both red and brown pigmentation, including melasma and post-inflammatory discoloration.
- Pre-treatment prep: Ideal for use before laser treatments to optimize results and minimize post-procedure pigmentation risks.

### Who is it for?

Perfect for all skin types and Fitzpatrick levels, Vivid Brightening Serum is formulated for those seeking a safe, effective, and irritation-free solution to correct and prevent pigmentation. Whether you're dealing with stubborn dark spots, melasma, post-inflammatory redness, or general unevenness, this serum delivers powerful brightening benefits while gently exfoliating for visibly renewed skin.

## ENCORE BODY HYDRATOR

---

Encore Body Hydrator is more than just a moisturizer—it's a complete, next-generation body treatment designed to hydrate, firm, soothe, and protect the skin. This all-in-one formula redefines body care by combining Supercharged Hyaluronic Acid, seven potent antioxidants, vegan collagen peptides, and powerful calming and anti-inflammatory ingredients to deliver both immediate and long-term results. It deeply hydrates, tightens, improves tone and texture, reduces crepiness, and minimizes the appearance of stretch marks, while also strengthening the skin's natural defenses against environmental stressors. Designed for AM and PM use, Encore does more than moisturize—it transforms body skin by delivering advanced actives deep below the surface, where real change happens.

### Uses:

- Full-body hydration & defense: Apply morning and night for intense moisture and protection against free-radical damage and oxidative stress.
- Skin-firming & toning treatment: Helps tighten skin, smooth texture, and reduce crepiness, promoting a firmer, more youthful look.
- Stretch mark & elasticity support: Reduces the appearance of stretch marks while reinforcing skin strength and resilience.
- Soothing & anti-inflammatory care: Calms irritated, stressed skin with ingredients that reduce inflammation, promote healing, and enhance overall skin health.

### Who is it for?

Encore Body Hydrator is for those who want to elevate their body care routine to the level of advanced skincare. Perfect for all skin types, this high-performance, full-body treatment provides deep hydration, visible firming, antioxidant protection, and calming relief—delivering clinical-grade results for body skin that looks and feels its absolute best.

## EYE RENEW COMPLEX

---

Eye Renew Complex is a powerful yet gentle eye treatment that visibly reduces puffiness, smooths fine lines and wrinkles, and brightens dark circles—all in one formula. This advanced blend creates a well-rested, refreshed, and more youthful look while its lightweight, fast-absorbing texture ensures seamless application without heaviness or residue.

### Uses:

- Daily eye care: Apply a small amount morning and evening to the area around the eyes.
- Multi-benefit formula: Helps reduce the appearance of puffiness, fine lines, wrinkles, and dark circles for a visibly smoother, brighter under-eye area.
- Layering-friendly: Can be used under makeup and SPF without pilling or creasing.

### Who is it for?

Perfect for those seeking a lightweight, fast-drying eye treatment that delivers visible, clinical results. Whether you want to combat signs of aging, reduce puffiness, or brighten tired eyes, Eye Renew Complex provides targeted, effective care for all skin types.

## HYDRI-C DAILY VITAMIN C MOISTURIZER

---

HYDRI-C is a breakthrough daily moisturizer that combines deep hydration with the power of vitamin C for brighter, healthier skin. Powered by MicroFusion Technology, this advanced formula delivers a gentle yet highly effective form of vitamin C deep into the skin, making it ideal for those with sensitive skin or difficulty tolerating traditional vitamin C products. Designed for daily use, HYDRI-C simplifies your skincare routine while providing antioxidant protection, hydration, and a flawless finish.

### Uses:

- Daily hydration & antioxidant defense: Apply 2 pumps morning and night for nourished, radiant skin.
- Perfect base for SPF & makeup: Layers seamlessly under sunscreen and makeup for a smooth, luminous finish.

### Who is it for?

Ideal for those looking for a moisturizer and vitamin C in one, HYDRI-C hydrates, protects, and brightens the skin in a single step. Perfect for all skin types, including sensitive skin, it provides powerful antioxidant benefits without irritation.
