## ANYA COCKTAIL

*She knows what to drink*

### **Ketel One, Blanc Vermouth, Lemon, Cassis**

This cocktail is sophisticated, clean, and refreshing

*... Just like Anya!*

A vodka sour with complexity from fortified wine, tartness from fresh lemon, and a light fruitiness from Cassis. **10**

## GREENHOUSE GIMLET

*Our rotating savory cocktail*

### **Gin, Cucumber-Water Syrup, Lime**

Sugar-macerated cucumbers with a touch of salt lend themselves to a complex syrup. When combined with herbaceous gin and fresh lime the result is a refreshingly vegetal cocktail. **10**

## DANDELION DREAM

*It started with a vision*

### **Dry Vermouth, Benedictine, & Bitter Gentian**

A spin on a Chrysanthemum cocktail and an homage to the Anya logo.

Subbing Suze for an absinthe rinse balances the sweetness of the vermouth and Benedictine with a bitterness reminiscent of a dandelion. A delicate and bitter aperitif-style cocktail. **12**

## SAZERAC REDUX

*France's gift of the cocktail*

### **Rye, Cognac, Absinthe, Lemon Oil**

The Sazerac is tied to the very origins of New Orleans as a French territory and is even the official cocktail of the city! Following the Phylloxera mite's destruction of French vineyards and shortages of cognac, Rye became the spirit of choice in Sazeracs. Using both cognac and rye in this Sazerac builds up complexity and lets you have the best of both spirits. **12**

## MONTEZUMA'S FEAST

*It's all about the flavors!*

### **Peppercorn Infused Tequila, Carpano Antica, Dual-Citrus, Dry Cacao**

This reimagining of a Floradita Daiquiri uses infused-tequila and flavors of the Americas to highlight the culinary treasures the conquistadors missed. Pepper infused tequila is carefully layered with dry cocoa, grapefruit, notes of vanilla, and grenadine. **13**

## JACK ROSE

*An Apple for What Ails You*

### **Bonded Applejack, House Grenadine, Lemon**

The Jack Rose is rooted in mystery and a touch-stone of the modern cocktail movement. Enjoy the complex fruity flavors of a 100% Apple Brandy with complex grenadine in this dry season-appropriate cocktail! **10**

## ROSEMARY SOUR

*Herbaceous & Textured Bourbon Sour*

### **Bourbon, Rosemary, Egg White**

In this iteration of a classic Bourbon Sour, we are layering resinous rosemary with the complexity of 4 Roses Bourbon. The inclusion of an Egg White adds a rich meringue-like texture to capture all the flavors. **10**

# Wine List

In curating our wine list, efforts were made to make the menu accessible to someone who has never looked at a wine list as well as to introduce many wrinkles to an aficionado. Every wine on the list was chosen carefully to fill a niche and appeal to a particular individual; to pair effortlessly with the menu and to read intuitively. The menu is organized by the relative body of the wine and furthermore by a few descriptors which can serve as a guideline for how the wine will present itself. We look forward to introducing you to new wines and unique experiences!
