Photography Projects for Kids of All Ages

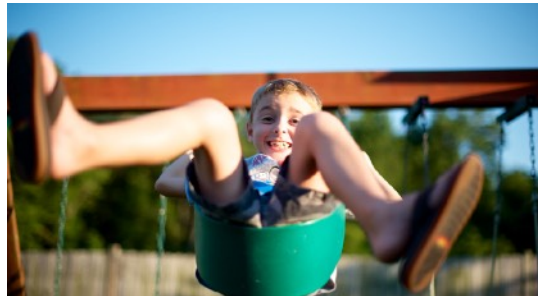

Photo Scavenger Hunt

Choose any theme such as a color, objects that start with a certain letter, spring time outdoor objects, etc.

Action!

Incorporate movement and art by only photographing action shots. Take pictures of siblings riding a bike or running or even take a photo of something still while jumping up and down.

Pets

Make a photo album of your pet. Make sure to include their favorite toys, game, place to play, etc.
