# PACKING TIPS!

**DO NOT BUY** anything you can improvise or borrow, especially if your child is coming to camp for the first time.

Send the old clothes your child will outgrow before next summer.

Open-toed shoes (sandals/flipflops etc) are not ideal for general wear at Camp, acceptable use is at shower time & for walking down to the beach during swim lessons.

Trunks or Large Plastic Storage Bins are the best when it comes to camp! Average Trunk size is 30"W x 12.25"H x 15.75"D but any size will do just be mindful that your camper will be sharing their space!

**DO NOT SEND** Cell-phones, rechargeable electronics, ipads, electronic games, hair dryers, curling irons, laptop computers, skateboards.

Please write names on all items clearly, using permanent marker or sew-on tapes.

(NOTE: Iron-on labels usually come loose in the laundry.)

No knives (including Multi-Tools ex. Swiss Army), tobacco, alcohol, drugs, or weapons of any kind are permitted at Incarnation Camp.

Feel free to print out the packing list to use as inventory and included it in your child's luggage.
