

Breeze Digital Signage System

Breeze Digital Signage Media Player: RMW BRZ

The Rackmount Breeze Digital Signage Media Player is a revolutionary way to deliver dynamic, video forward signage content using efficient methods and Windows 10™ IoT. Breeze uses HTML5 Powered software that has unbeatable playback reliability and security, with an intuitive and simple user experience.

The RMW-BRZ features a modern design and includes rack ears for a smooth, easy installation.

Features TRUE 4K Output

Uncompromised, superior picture resolution based on the 4K standard of 4096x2160 @ 60fps, this player is designed for high-power, high-need displays.

HLS, UDP, RTP and RTSP Streaming

Playback of reliable real-time streams or streams from a robust web-based media platform.

Schedule On/Off

Efficiently control screens with configurable On/Off with Rs-232/network commands.

Breeze Digital Signage Software

Easy to Use and Compatible

Breeze is simple and easy to use, featuring a drag and drop interface, easy file uploading, and smart widgets for a variety of customization features. The best part? Breeze is cloud-based, so it can be updated from anywhere, anytime with an internet connection, with unlimited users. Additionally, Breeze can work with a wide variety of networks, from wired to wifi to cellular, we have you covered.

Safe and Secure

Breeze is designed with encrypted data to keep your information secure using SSL/TLS security. This allows Breeze to be installed in many locations without the need for any special network configurations. Upload and download with peace of mind: you're secure with Breeze!

All Inclusive

Keywest Technology has developed an all inclusive digital signage software, containing our Breeze Digital Signage Software, a cloud-based server, a media player, a perpetual hardware warranty, and Breeze TOTALCARE, our superior technical support coupled with automatic updates to your software and more.

Top-Notch Service and Support

Keywest Technology is a small, unique team with your best interests in mind. We offer incredible customer service, technical support, and product education, so you will be well taken care of every step of the way. We have worked with a variety of companies successfully for many years, and look forward to many more!

Hardware

- OS Windows 10 IoT
- CPU Intel i7-6700 3.4/4.0G
- GPU Intel Integrated Graphics
- RAM: 8GB DDR4 2666MHz
- Storage: 250GB SATA3 SSD
- HDMI: Max Resolution 4096 x 2304 @24Hz, Min Resolution 640 x 480 @59Hz
- DisplayPort: Max Resolution 4096 x 2304 @60Hz
- 1 Antenna Included
- Automatic Restart upon Playback Failure

IO Interface

- Ethernet 2x RJ45 (GbE LAN)
- WLAN 802.11 b/g/n
- HDMI Out 1x HDMI
- DisplayPort 2x DisplayPort
- USB 3.0 4x USB 3.0
- USB 2.0 2x USB 2.0
- Analog Audio 1x 3.5mm (Speaker/Mic) On-board 7.1 3D Audio Sound
- Digital Audio via HDMI
- COM Port 1x RS-232 port (Male)

Mechanical

- Dimensions: 17" x 10" x 1.75" or 432 x 254 x 45mm (WxDxH)
- Quiet Case Fan (40x40x10mm)
- Weight: 10lbs (4500g)
- Mounting: Rackmount
- Operating Temp 32 ~ 104°F
- Storage Temp 68 ~ 158°F
- Humidity 0 to 90% (non-condensing)
- Power Supply Internal / 100-240 VAC / 50Hz - 60Hz / 400W
- Certification CE / FCC
- Warranty Based on SLA (Service Level Agreement)
