## How Our Fundraising Program Works

**\*\*\* Kettle Corn is sold for \$15/bag (all flavors) and your group will keep \$8/bag of gross sales (50% Profit!) \*\*\***

- 1) – we will choose a date to start your fundraising program and the date to end the sales.  
– we will choose a pick-up date, time and location
- 2) – we will provide you with the Order Form customized for your fundraiser
- 3) – your group will take orders for kettle corn over the allotted time period
- 4) – once all order forms are collected and totaled, your Fundraiser Coordinator will deliver the Order Forms and \$7/bag of the money collected to your ApCal contact
- 5) – we will pop the kettle corn to match your orders
- 6) – we will deliver the kettle corn on the pre-determined date and time. Your order will be bulk bagged, by flavor. You will then separate the bags for each individual customer order
- 7) – at the pick-up location, your group will distribute the kettle corn to the arriving customers picking up their orders. It will be helpful to have a table and chairs to work from
- 8) – after the allotted pick-up time is closed, your fundraising program will be complete. It's that simple!

**REMEMBER —** We are here to help you at any time if you have any questions along the way!  
Our goal is to make this as stress-free, successful and profitable as possible!
