What's It About?

Weatherby is a fish out of water. When she lands a scholarship to the prestigious Boston School, she's excited to be in the same world as her dad, whom she's never met, and make real friends. But Weatherby has a secret she'll risk everything to protect, one that could destroy her new life. Every member of Jack's wealthy and privileged family has made their mark at the Boston School. Everyone, that is, except for Jack, who is entirely mediocre. He's desperate to prove his worth to his influential father. But Jack has a secret of his own . . . one with the power to ruin everything. Jack and Weatherby are invited to play a high-stakes game. If they win, they'll be selected to join the oldest, most powerful secret society in the world—and they'll be Boston royalty forever. If they lose . . . well, they better not lose.

Who Wrote It?

Alyson Gerber is an author who loves writing stories full of mystery, friendship, and big twists that keep readers guessing. She grew up in New England and now lives in New York City with her family, where she spends her days imagining clever puzzles and surprising secrets for her characters to solve. As a kid, Alyson loved reading and making up stories, and she still enjoys getting lost in a good book—especially ones filled with suspense and strong friendships.
When she's not writing, Alyson enjoys exploring the city, people-watching (which helps her come up with interesting characters!), and spending time with her family. She's also a big fan of snacks while writing and believes that a cozy spot and a good idea are the perfect combination.
Alyson is best known for writing fast-paced mysteries like The Liars Society, where teamwork, curiosity, and courage help characters uncover the truth. She loves creating stories that make readers think, laugh, and keep turning pages late into the night. Learn more at www.alysongerber.com
