

THE UNSTOPPABLE ENTREPRENEUR

IT Consultant

Unstoppable Entrepreneur

The Unstoppable Entrepreneur LLC is seeking to add its next superstar to our rapidly growing team! This individual will help drive our technology and innovation efforts and interface with different divisions of the company.

This unique and dynamic full-time remote role is perfect for an individual who desires to implement and run technology solutions that create work efficiencies internally and help us serve clients and the market at a high-level. Candidates must display high energy and creativity, exceptional organization and project management skills, and the ability to communicate in a clear and succinct way.

Responsibilities include:

- Supporting the automation of current processes within the different divisions
- Experience working with and integrating Hubspot with other platforms & software
- Supporting the setup of a private network for streaming media online
- Acting as internal point person for issues requiring technical support (troubleshooting, training, etc.)
- Implementing digital tagging for data capture to track digital marketing efforts to determine brand and campaign effectiveness
- Developing and modifying JavaScript code to execute web analytics best practices
- Planning and executing a successful website development project that drives thousands of visitors.
- Coordinating web development of highly-optimized and conversion-driven websites
- Creating internal training materials for technology implemented within the company and providing ongoing training
