HEALTHY URINARY TRACT SUPPORT

Benefits*

- Supports optimal bladder health by providing nutrients and compounds that promote urinary tract function
- Promotes a healthy inflammatory response in the urinary tract and may reduce the risk of infections
- Supports a healthy microbial environment within the urinary tract

Highlights

- 500 mg of cranberry (*Vaccinium macrocarpon*) (fruit) per 2-tablet serving.
Comprehensive whole-fruit cranberry extract: Crafted from the entire cranberry—juice, skins, flesh, and seeds—offering a full spectrum of bioactive compounds, including organic acids, fatty acids, and polyphenols.
- Combines the power of cranberry proanthocyanidins (PACs) with D-mannose (2g per 2-tablet serving) to support pathogenic bacteria from adhering to the urinary tract lining
- Cranberry's PACs and D-mannose work together to promote harmful bacteria being flushed out naturally and inhibiting bacterial colonization.
- Provides urinary tract support without the risk of antibiotic resistance, offering a long-term solution for recurrent UTIs
- The chewable format may help reduce bacterial load, promoting gum health.
- Great-tasting chewable tablets make compliance easy, offering an enjoyable daily solution for maintaining urinary tract health.
- Gluten-free, dairy-free, and soy-free
- Non-GMO

Recommended Use: Chew 2 tablets per day or as directed by your health care practitioner.
