

SPEAKER, COACH, AUTHOR

Do you want to be an executive who inspires your growing organization to unprecedented results?

What does it take to be world-class executive? Through her research, and 20+ years of corporate experience, Reagan Cannon discovered the critical areas leaders must develop in order to be high-impact and healthy executives.

In her *Scaling Leadership Program* you will use proprietary tools, techniques, and frameworks to explore questions like:

- *Am I dedicating enough time and energy to forward looking strategy?*
- *Have I structured processes to scale with the growth of the business?*
- *Am I an effective communicator both in small- and large-scale settings?*
- *Have I built a strong team and am actively empowering them, or derailing them?*

The most valuable thing about Reagan is she goes beyond the typical career planning and advice. She teaches you how to think differently and approach problems, challenges, and day-to-day situations in an objectively different way.”

-Senior Vice President, Affiniti.

“As my coach, Reagan helped me build confidence in my decision making, gave me the tools to effectively scale myself, and prepared me to take on a leadership role at the next level.”

- Sr. Manager, Amazon
