Post Decree Journey

The Solace **Post-Decree Journey** is for couples who have gone through their Divorce, Legal Separation, or Parentage Journey and are experiencing issues adhering to their legal documents entered with the court.

The most common post decree issues are:

1. Changes to the parenting time plan;
2. Modification of maintenance and/or child support calculations;
3. Modification of the percentage responsibility for child(ren)'s extra expenses; and
4. Issues surrounding division of a parcel of property that was reserved at the time of the prove-up hearing, and that is requiring attention currently. This typically involves the sale of a home or division of stock plans.

You will receive coaching to help shift your mindset and belief systems surrounding your relationship with your ex partner and/or forever co-parent, to guide you out of the heaviness of disagreement and into a lighter place of mutual decision making.

Your mediator will also share tips, resources & tools that can be implemented to shift the energies of your relationship with your ex partner. This opens space for you to embrace that there are many different types of relationships and many different forms of love. You can have a peaceful and joyful relationship with one another.

The Solace Post-Decree Journey is billed hourly, at \$400.00 per hour, and if necessary, can end with a legal Agreed Order entered with the Court that will supersede the original court orders.
