To hold your date, the following are required: a signed contract, 50% of your total rental deposit, and your security deposit. Details for submitting these payments are laid out in your contract. 60 days prior to your event, your remaining balance is due. All bar and beverage tabs are settled at end of your event.

## Can I bring my pet to my wedding at The Sixpence?

Yes! We welcome most pets to The Sixpence property, just request a copy of our pet policy from your venue manager and return the signed copy to us prior to your event.

## Can I bring my own drinks to The Sixpence?

No outside beverages of any kind are permitted on The Sixpence property. If you need a drink, just let us know at the bar!

## What furniture is included in my rental?

# FAQ

## **Does my rental include glassware?**

Yes! All glassware needed for bar beverages throughout your day will be provided by The Sixpence bar.

## **Does my rental include linens?**

Linens are not included in your rental, but we're delighted to coordinate linens for you through The Sixpence Linen Program, where you can select from a wide variety of premier fabrics and styles.

## **Can my caterer serve beverages during my reception at The Sixpence?**

Your caterer may provide water service during your reception. The Sixpence will handle all other beverage needs!

## **Can my caterer cook on site?**

If your caterer has mobile cooking means of their own, they may cook on site. Otherwise, our kitchen is for prep only - caterers may use warming ovens and prep areas.

## **Are the outdoor ceremony spaces wired for power at The Sixpence?**

Yes! All of our outdoor ceremony spaces offer plug ins for power.

# FAQ

## **When's a good time to show friends and family The Sixpence before my wedding day?**

We frequently host Open Houses in order to open our doors to our booked + potential clients for a chance to see our space "in event mode!" Follow us on Instagram, Facebook, & visit [thesixpence.com](http://thesixpence.com) to see upcoming Open House dates.

## **Can I add The Homestead and/or The Workshop to my rental after my initial contract?**

Of course! Just inquire with your venue manager, and we'll get you set up to take advantage of these beautiful add on spaces.

## **When can I do my 1 hour rehearsal walk-thru?**

Your included 1 hour rehearsal walk-thru is scheduled by availability 60 days out from your wedding day. You will likely schedule this at your second planning meeting with us! (As a reminder, this walk-thru is for your rehearsal only, and nothing may be left on property at this time.)

## **Does The Sixpence have restrictions on Grand Exit celebrations?**

Sparklers are permitted, please keep them over the black top only (not the white concrete) and have a plan for disposal (bucket of water or sand). Absolutely no glitter or confetti is permitted on Sixpence property. No fireworks or lanterns are permitted on Sixpence property.

# FAQ

## Are open flames allowed in the barn?

Real flames are permitted, but they must be surrounded by glass. We have seen some beautiful flames sitting in water or sand in clear vases, as well as some gorgeous artificial flame options - inquire with your decorator, designer, or planner!

## Can I host my rehearsal dinner at The Sixpence?

Yes! We have rehearsal dinner packages available for hosting in The Sixpence barn, along with Workshop rentals perfect for bachelor/ette parties! Inquire with your venue manager for details.

## Is there any charge for going off your Preferred Vendor List?

We are purposeful about creating a network of talented professionals that we can confidently recommend to our clients. For the sake of ensuring your event flows perfectly, we require Sixpence clients to select from our Closed Catering List. Otherwise, there is no charge to work with vendors outside of our list, though we highly recommend running them by your venue manager to ensure you're best utilizing all your resources.
