Having gotten married in May 2018, I have experienced the joy, energy, happy tears, and bliss marking one of the most important days of my life. Honestly, I think of my wedding as one, big, beautiful blur. As your wedding photographer, I want to capture all the emotions transcending your day because you hardly have any time to process what you're feeling! You deserve honest, pure images that showcase all the excitement, change, and newness a wedding day contains.

*radiate joy*

1. I love to travel, whether it's a weekend beach trip or outside the country! Living in Italy for nearly three years developed my passion for other cultures and countries. I'm always planning my next trip!

2. I am fascinated by all things Titanic- the actual ship, the movie, and the museums. Titanic II is setting sail in 2022, and you better believe I'm on that e-mail list for when tickets go on sale.

3. Growing up, Nancy Drew was my absolute hero. If you haven't seen the TV show from the late 70s, please add it to your bucket list...or we can watch it together.

We'll play some music and snap some lovely pictures you can share with your family and pop on your Save the Dates! When choosing a location for your session, I want you to feel comfortable in the environment, which is why I'm totally open to your ideas! If you're not sure where to take pictures, it's no problem at all. I know of some beautiful places that will complement your style and relationship. You can also bring an extra set of outfits if you're wanting both dressy and casual looks!

## your questions | my answers

### WHEN CAN I EXPECT MY IMAGES?

I love, love, love editing, and delivering your images is even more fun! For your engagement session, you can expect a sneak peek two days after your session and a full gallery two weeks after. For your wedding, I'll be sending a sneak peek within three days of your wedding, and the whole gallery will be delivered five to six weeks after!

### SHOULD I HIRE A SECOND PHOTOGRAPHER?

It's up to you! Depending on your venue and getting ready locations, you may want to hire a second shooter. If the girls and guys are getting ready in separate locations, or you want someone taking extra pictures of the cocktail/reception area while I snap photos of the bride and groom, then I can absolutely hire someone to work with me.

### DO YOU TRAVEL?

Yes! I'm constantly on the go and enjoy seeing the diversity in venues and locations. I'm currently based out of Chattanooga, Tennessee, but frequently book weddings in Florida and the Virginia/Maryland area. I'm also down to travel anywhere for you, so let's chat about where it is so we can gauge relevant travel fees!

### HOW MUCH IS THE DEPOSIT?

After signing your contract, an \$1,000 deposit is required within one week to secure your date.
