"MY FAVORITE THING ABOUT ISHOT STUDIOS WAS FEELING HOW EXCITED SHE IS ABOUT WHAT THEY DO. SHE TRULY IS IN LOVE WITH LOVE — AND YOU COULDN'T ASK FOR ANYTHING MORE FROM YOUR WEDDING PHOTOGRAPHERS."

CONGRATS ON YOUR RECENT ENGAGEMENT

THE PHOTOS WE CREATE TOGETHER
WILL BE YOUR FIRST FAMILY
HEIRLOOM.

I'm thrilled you're considering having me become a part of your day! Wedding film and photography is one of the most important investments you will have for your wedding day.

When the beautiful day has come to an end, the teary-eyed toasts have been shared, your dress is hung, you will have wedding photos to look back on and cherish throughout the years.

Spend some time reviewing this pricing guide and let me know if you have any questions or concerns. If you feel like we'd be a wonderful match for each other, let's connect!

The love doesn't have to be perfect

A full-page photograph of a wedding couple in a romantic embrace. The groom, on the left, is wearing a bright blue suit and a white shirt. The bride, on the right, is wearing a white lace wedding dress and holding a large bouquet of flowers. The bouquet features white and pink roses, dark purple chrysanthemums, and greenery. They are standing outdoors in a lush, green setting with trees and a stone wall in the background. The lighting is soft and natural, suggesting a late afternoon or early morning setting. The overall mood is romantic and intimate.

It just has to be ours...

MEET JASMINE

I am Jasmine Lynn, story teller for lovers and a boudoir aficionado for the hopeless, located in the Hudson Valley region of New York.

I am a dreamer, an avid shoe wearer, fitness junkie and a yogi in training. I chose to be a photographer because I felt a calling to it. I believed that my craft could make people feel more confident and exist as they were, in photographs long after being gone. My brand is confident, sexy and full of life.

I feel lucky to be able to give the gift of beauty back to others. It's a scary world out there and hard to deal with sometimes. I want to document the moments and accomplishments that make you feel good about that period in your life. I want you to feel a sense of pride and nostalgia when you pick up your album or open your folio box to see your prints.
