Government Funding

explained

Understanding childcare funding is not easy, but there is no need to worry we are here to help. To make things simple, there are two Government funding programmes. Parents can make the most of either 15 or 30 funded hours per week, depending on your individual circumstances.

Where to get help?

Check the Governments website:

If you are struggling to make sense of eligibility or want to find out about Government schemes and incentives, visit **gov.uk** and follow the links.

- Should be working at least 16 hours a week
- Can be on sick leave or parental leave
- Must each earn less than £100,000 a year
- May still be eligible while claiming benefits

Working family funded childcare

The scheme is for qualifying working parents.

The funded 30 hours are provided across 38 weeks, during term time and, if you are living with your partner you will need to apply together.

Parents:

The funded hours are stretched across our opening of 51 weeks per year. We can offer your child more than their funded hours, if needed which are included with our enriched package and paid for.

You can read more about this on the Government website: childcarechoices.gov.uk/

At Best Childcare...

We try and make things as consistent and simple as possible for parents. However, we do not administer the Government funding, this is done through the Local Authority and therefore we cannot be held accountable for processes and timescales.

Universal funded childcare from 9 months

Funding goes towards 15 or 30 hours of childcare across 38 weeks of term time. All parents can access this scheme.

Here's what you need to know

- From 1st September 2025 all children aged 9 months onwards will be eligible
- At Best Childcare we stretch these hours over the whole year (51 weeks) for more flexibility.
- Parents usually require their child to be in nursery longer than the funded hours, but that is not a problem. We offer our **enriched** package with additional non funded hours to accommodate working all year round- see our fee chart for more details.

FAQ'S

Any Questions

Does Best Childcare offer totally free places?

Yes, although we prefer to call these funded not free, however parents will be able to access their funded hours without any additional charges and in line with policies, procedures, terms and conditions. Our **enrichment** package offers excellent value and convenience. This ensure that children enjoy consistent, high-quality experiences whilst making things easier for busy parents.

If I pay for extra hours and don't use them, can I be refunded?

Unfortunately, not. We must make sure we are covering our running costs to provide the highest quality childcare at Best Childcare.

Can I roll my funded hours into the next term?

No sorry we do not have any authority over the processing and administering of the funded hours, this is all dictated by the Local Authority.

Other nurseries allow parents to send packed lunches, does Best Childcare?

At Best Childcare we are proud to have our own on-site nursery chef, who provides well balanced and nutritious meals and snacks. By maintaining this approach, we can create a safe, inclusive and enriching mealtime environment that supports children's well-being and development.

If you chose to opt out of our enrichment package, we regret to inform you that **we will not permit packed lunches or for snacks to be brought into nursery.**

This decision has been made for the following reasons:

- **Nutritional consistency**
- **Independence and learning**
- **Food safety standards**

I have missed the deadline for my eligibility code; can my child still be funded?

We are sorry but should you miss the deadline, the fees will be charged as normal. We have no part of the process of administering of either the eligibility codes or funding.

Quick recap

Government funding is not intended to cover the full cost of childcare. Our new **Enrichment Package** offers all childcare and conveniences for the full 51 weeks of the year.

Our **fully** privately paid childcare (without any funding) is inclusive of all services and therefore there is not requirement to opt into the **Enrichment Package**.

You can find all fees and the full Enrichment Package costs on our fee sheet which is available on our website.
