*follow the steps below to download and access the template!*

# AUTHOR NOTION DASHBOARD TEMPLATE

## *Step 1: Log In*

Open your web browser and log into your Notion account.

If you don't have an account yet, create one at [notion.so](https://notion.so) (it's free!)

## *Step 2: Access the Template*

Click the link below and the template will open in your browser as a public Notion page.

## *Step 3: Duplicate the Template*

In the top right corner of the template page, click the "Duplicate" button.

## *Step 4: Customize Your Template*

Once the template appears in your account, you can start editing and personalizing it to suit your needs!

Feel free to move sections, add content, or adjust layouts as desired.
