

PRAAYER GUIDE

for the 2025 Belize Mission Experience

ABOUT 28:19 MINISTRIES

What began as a 3-year partnership between a local church and missionaries in Belize has grown into so much more. Year after year, our founder and her daughters traveled to the same village and grew relationships with the same people. When the local church decided to stop sending a team to Belize, our founder was called to start a non-profit. She knew in her spirit that the Gospel was still needed there. The work of God was not finished. Feeling the pressure of not knowing what steps to take, God gave her Psalm 32:8. It says, “I will instruct you and teach you in the way you should go...” In August 2019, 28:19 Ministries was born in response to the Great Commission - to go and make disciples. The process to form a non-profit, which should have taken months, was completely done in less than one month. God made a way where it seemed impossible.

Although 28:19 Ministries is only a few years old, we have more than a decade-long history with this one rural village in Belize. Even after 10 years, it has never been more clear that the Gospel is still needed and that the people there are ready to hear it. In just a few years, God has done abundantly more than we could have asked or imagined (Ephesians 3:20). What started as an outlet for Belize missions has grown into partnerships with a local humanitarian organization and a missionary in Nigeria and Egypt. We’ve hired a pastor in Belize and our first full time employee. In January 2024, we launched an English Learning Community. We believe that the Gospel has the power to change the world. Whether you’re called to go in your own city or called to hop on a plane, we believe that the Great Commission is a call to all believers.

Preparing to GO

Pray for team members as they prepare spiritually, mentally, and practically for the mission ahead—hearts aligned, minds focused, and bags packed with purpose.

Lift up each team member as they get ready to go—praying for spiritual readiness, mental clarity, and peace in all the final details.

Ask the Lord to prepare each team member—heart, mind, soul, and suitcase—for what He has planned in Belize.

Pray that each team member would be equipped in every way: spiritually grounded, emotionally steady, mentally focused, and logistically ready.

JULY 5

Travel Day

Pray for smooth and safe travel—from takeoff to landing, through customs, baggage, and every transition in between.

Ask God to protect the team from delays, cancellations, lost luggage, or any unexpected complications.

Pray for peace over every heart—especially those feeling anxious or overwhelmed as they step into the unknown.

Lift up travel logistics: check-ins, passports, flights, transportation, and team coordination. Pray for supernatural favor and ease.

Pray for unity and patience among the team as they travel together—especially through stressful moments or long waits.

Ask for divine appointments even during travel—that the team would carry the presence of Christ with them through airports, conversations, and every mile.

Pray for rest and refreshment during travel, so the team arrives in Belize with energy and expectation.

Lift up the families and loved ones left behind—for peace in their hearts and confidence in God's covering.

JULY 6

Ask God to strengthen the leadership, deepen the faith of its members, and expand its reach in the community. Pray for lasting fruit and kingdom impact through every message, worship moment, and relationship.

GATHERING DISCIPLES (CHILDREN'S SUNDAY SCHOOL): Pray for the children who come each week to Gathering Disciples. Pray for transformation, healing, and freedom as the name of Jesus is exalted in the heart of the community.

Ask the Holy Spirit to guide each moment of quiet, conversation, and worship—bringing clarity, healing, and gratitude.

Pray for those being baptized, that this public step of faith would mark a powerful spiritual shift.

And as the team reflects in a public setting, pray that their joy, peace, and unity would be a visible witness of Christ to those nearby—that the light of Jesus would shine through every interaction.

JULY 13 & BEYOND

Travel Day & Beyond

Pray for the team as they travel back home today—after a full, beautiful, and stretching week. Ask for smooth logistics, safe flights, and rest along the way.

Pray that each team member would carry home more than just memories—pray they carry the presence of God, a deepened faith, and a renewed sense of purpose. Lift up their hearts as they begin to re-enter daily life, asking God to help them process all He has done.

Pray for lasting fruit from every conversation, prayer, hug, and act of service. Ask God to continue working in the hearts of those who attended camps, conferences, and church services in Belize.

Pray that team members remain connected to what God stirred in their hearts—that they live on mission at home, just as they did in Belize. And pray for the ongoing work of our Belizean partners and churches, that they would be strengthened and supported long after the plane has landed.

HOW CAN WE PRAY FOR YOU?

We believe in the power of prayer—and we'd be honored to pray for you.
