CONGRATS FRIENDS!

I am SO excited you've had the opportunity to connect with myself and my work, and congratulations again for taking this next step with YOUR PERSON!! I cannot wait to celebrate your future endeavors and support you in this next chapter.

A day full of raw emotion and pure joy awaits, and I'd absolutely love to be not only the one capturing those moments, but someone you can consider more than another vendor.

As a wedding photographer and future dear friend, I adore capturing the authentic, candid connection between two souls and your dear loved ones. Even on my polaroid ;)

WHY I CAN'T WAIT TO DOCUMENT YOUR DAY

From stolen glances to gentle kisses and getting loose on the d-floor, I'll be there to photograph the moments that'll diminish in seconds. You'll forget my camera is even present as you indulge in the moment with your person throughout the day that represents YOU.

Whether you want me to sneaking you out for some sunset photos or be right up the front, rounding everyone up for group photos, I'll be the calming presence you need on the day. Either way, I'll be behind the lenses, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever relive your day. When you look through the photos, you'll feel the raw emotion that was shared between you, your person, and your people on the day you'll never forget.

HI, I'M NATALIE

A creative soul, a recent bride herself, with a heart for heavenly love.

From the day I was exposed to the wedding industry, I fell in love with the authentic connection shared between two people becoming one. I believe, at the end of the day, these true moments, even the smallest ones, are what mean the most. Weddings are filled with these tiny snapshots and the fact that I get to capture them, stop time and hand them onto you means more than you may ever know.

Your vision is my dream. Let's bring them to life so your dream photos land on the walls of your home.

"I don't have enough words to describe our experience with Natalie. She was truly so helpful throughout the whole process. Ample communication, a meeting early to get to know each other, and the best photo hype woman you could ever ask for. She creates real art and has amazing talent when it comes to both personality and the genuine joy she exudes. She gets the photos edited to perfection and back to you so quickly. I now feel like I have a friend in Natalie!"

SECOND

SHOOTER

THE PERFECT SOLUTION TO COVER MULTIPLE LOCATIONS OR BIG WEDDINGS.

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage with a 2nd shooter! Plus, prioritizing different perspectives of your day is what I do. Which is why I include it in all of my wedding packages. Just for YOU.

Benefits of a 2nd shooter:

- You have a large guest list and want to make sure we get shots of everyone that's there on the day
- You and your partner are getting ready at the same time, and the locations are far apart
- You want to reflect on different perspectives of your day when looking through your final gallery in years to come

Basically, the second shooter will act as my wingman/ wing woman, doubling the coverage of your wedding.

We'll team up to ensure that everything is captured, from start to finish, locations far apart. Lastly, having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

FAQ

Where are you based?

I'm based in Nashville, Tennessee, but I travel all over the country to capture heavenly love. I'd love to travel to capture your wedding day!

Do you photograph internationally?

You bet I do! Nothing excited me more than the opportunity to shoot a destination wedding or elopement.

If you're thinking of taking your celebrations overseas, please send over an inquiry so we can chat about the finer details.

Do you charge travel fees?

For weddings within 1.5 hours of Nashville, TN, no travel fees are required. If your wedding is located over 1.5 hours outside Nashville, I do require a fee to cover mileage and potentially accommodations if I need to stay overnight. These fees can range between \$250-\$500, depending of travel.

Do you photograph elopements?

If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honored to document your intimate ceremony. Please check out my **SMALL WEDDINGS** package on page 8.

How many photos will I receive?

For weddings, you'll receive over 800-1000+ professionally edited photos, depending on how many hours we shoot and how jam-packed your wedding day is! Small weddings under 50 guests will range between 400-500.

How will I receive my photos?

Firstly, I'll send you a handful of sneak peek shots a couple of days after your wedding or session. 6 to 8 weeks later, you'll receive a link to your online gallery so grab some snacks and prepare to relive your wedding day. If you've chosen to add on film or additional hours, we'll work together so that ends up in your home as soon as possible.

How long will it take to receive our photos?

It will take roughly 6 to 8 weeks for weddings to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about a rush fee. With that said, it could end up in your inbox sooner! It just depends on the season!

We don't want our photos on social media

This is your wedding and if you are uncomfortable with your photos being shared on my social media platforms, I will always respect that! Please let me know if this concern and I will make the adjustment in my contract to represent your request.

What happens if you're unable to make our wedding day?

I will always make EVERY attempt to be at your wedding day. However, if I were in a position where I physically cannot make it, this is the reason I have a second photographer. They would step in as the primary photographer, and I would try to have a backup second photographer. These are other talented photographers who will take good care of you. If not, I will send you a full refund and we'll go from there.

FAQ

Do you have a payment plan? A retainer?

For weddings, I require a 33% non-refundable retainer at the time of booking. The remainder of your payment is due two weeks before your wedding date. If there are any concerns, just let me know when you send me an email to book!

Can I print my photos?

Of course, I'd love for you to print your favorite photos! You have complete print release so you may print them through what works best for you.

What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The retainer is non-refundable as this helps to protect my business due to turning away all other bookings for your wedding date. I hope you understand that the retainer is insurance for my business to stay afloat in the event of a cancellation. If you need to move your booking, I will allow one move free of charge. Afterward, a move fee will be applied.

Do you have any vendors you recommend?

Yes, from years of experience in the wedding industry, I have come to work with some of the top wedding vendors. I have a list of wonderful vendors that I have worked with + am happy to provide you with that list upon booking.

If you would like specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.

Forever grateful for her and her beautiful work.
