OUR PROCESS

We want to make the process and experience of ordering your stationery with us as seamless and efficient as possible. We have outlined what you can expect throughout the entire process of obtaining your stationery with us below.

ORDER RECEIVED

Once we have received your initial enquiry, you will be sent a quote on the pieces you have requested. If you decide you would like to proceed with booking your stationery with us, you will be sent a deposit invoice. Upon receiving your deposit, we will work on your first proof and send this over to you for any changes.

DESIGN PROOFING AND APPROVAL

You will receive your first proof for which you can request changes or approve the design. You are entitled to 2 rounds of changes after your first proof has been sent. Once we have received all the necessary information, as well as your approval across all designs, you will be sent a balance invoice which will need to be paid before your order is sent for printing.

PRINTING

Once we receive your final approval and payment, the printing process will begin. Please keep in mind, once your order reaches this stage, no changes will be accepted.

FROM US TO YOU

Your order has been printed and is now ready for your big day. We will place all of your stationery pieces on your wedding day for you, along with your florals, candles and other styling elements.

How to ORDER

BROWSE

Continue browsing through this guide where you will find all of our design sets, paper colours and shape options. Choose a design from our 'collection' range or ask for a bespoke design.

Fill out the enquiry form on our website, which will give us the information we need to provide you with a quote.

SECURE YOUR ORDER

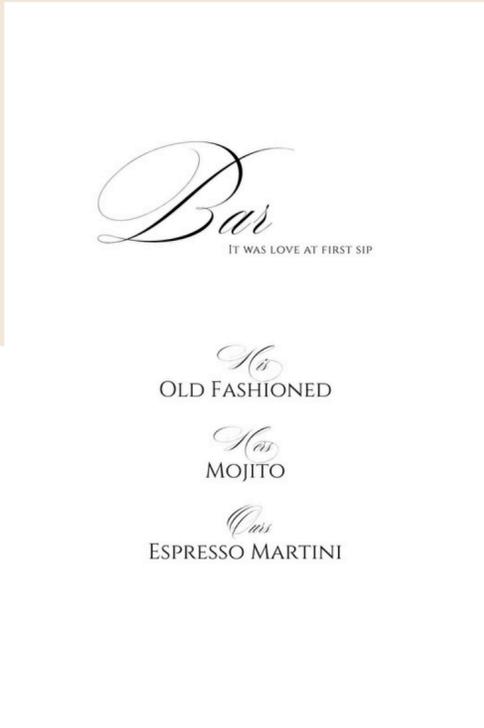

Once you have received a quote from us and you decide you would love to go ahead with our stationery service, a deposit invoice will be sent for payment along with the appropriate templates that you will need to fill out. To secure your stationery order, a 25% deposit is required. Your stationery quote will be sent on the same invoice as your florals, candles and styling.

WHEN TO *Order* On-the-day range

We highly recommend ordering your stationery up to 8 weeks out from your wedding.

Why? Designs, information gathering, proofs, printing and cutting all take time. We understand that you may not have all of your RSVP's back until 4-6 weeks out from your wedding, but by starting the process earlier, this ensures we have plenty of time to get your orders designed, approved and printed.

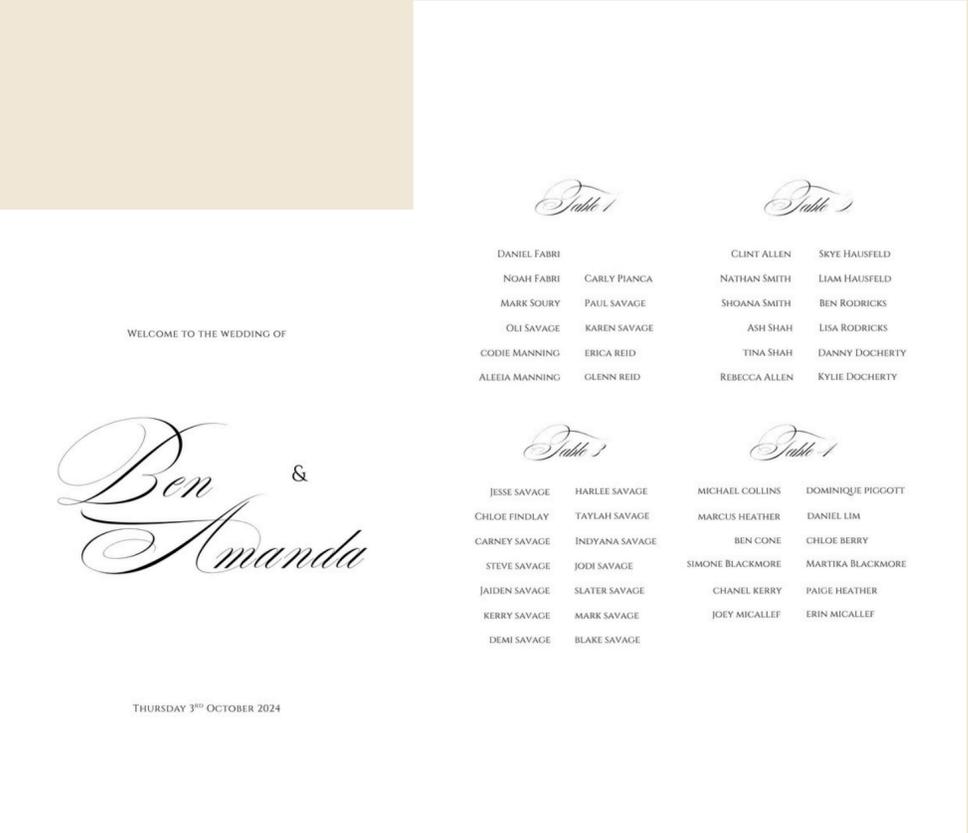

If you are ordering your stationery with less than 6 weeks notice, we will do our absolute best to accommodate, however a rush fee will be applied. We will not accept orders less than 5 weeks out from your wedding.
