

## *Laurel Avenue* GUEST BATH

LISA OBERST DESIGN

The guest bedroom offers a calm, welcoming retreat for visitors coming to enjoy the coast. A built-in desk and wardrobe provide thoughtful spaces to work and settle in with ease. Large windows along the side and rear of the home fill the room with natural light, creating a bright, airy atmosphere throughout the day. A small private deck extends the space outdoors, opening to a quiet sitting area where guests can relax and enjoy the peaceful surroundings.
