

CECILIA JIMENEZ

THE WEDDING GUIDE

FOR BRIDES LOOKING FOR A BEAUTIFUL CUSTOMIZED LOOK

I'M CECILIA JIMENEZ, A CHICAGO-BASED BRIDAL HAIRSTYLIST

After working as a hairstylist for nearly a decade, I enjoy helping the bride and bridal party get ready for the joyous occasion and create memories that will last forever!

The Wedding Process

On the wedding day, I arrive 15-30 minutes beforehand to set up equipment to prep hair. I will provide my own products the day of the wedding (towels, lighting, chair, etc.) Everyone participating will be asked to wash hair before or day of the wedding depending on the style of choice they provided for me. No products are necessary in the hair, I'll be accommodating products for the clients.

The schedule/ order of the bridal party will vary depending on the amount of people will be confirmed. The bride is reserved last to properly align her look with the make-up artist. If the bride will need assistance with for example, preparing the veil on the hair or apply accessories I will be available to assist. I will also be available for touchups before leaving.
