

## SEEING THE LIGHT

LISA KOOISTRA, Lisa Kooistra Designs

### *The Brief*

A family of four in an '80s townhouse needed a kitchen with loads more style, storage and functionality. Dated features like knee walls and columns were out; Scandi-inspired lightness was in.

### *Favourite Features*

The pantry; the office tucked into a corner; and the hidden storage in the island.

**PAINT**, Chantilly Lace OC-65 (upper cabinetry); Balboa Mist OC-27 (pantry); Benjamin Moore. **LIGHTING**, Light House Co. **STOOLS**, Rove Concepts. **COUNTERTOP**, Caesarstone. **FLOORING**, Fuzion.
