WEDDING DAY CHECKLIST

A checklist and budget overview to get your
planning started.

W E L C O M E

This is me, Debbie

Hey all you crazy and wild lovers out there. I am so glad you are here and I am so glad that I am able to help you with getting your wedding day planning up and running.

While some are able to have a planner and coordinator, others need to take a more DIY approach to saving money, OR simply have a checklist that they are able to have to stay on top of things as their wedding plans progress.

I am a helper and I wanted to help you in any way that I can to make things a little easier for you. I have created a simple, yet efficient way for you to plan your wedding with a quick and easy check list. Nothing crazy, just the basics so that you have a base to work off of and to help you get started with a few areas and ideas.

If you have any questions with anything, please don't hesitate to ask.

xoxo, debbie elisa

No question is too small. If you and your fiancé can't decide if caps, beanies, or gloves are
okay, let's have a chat!
