Virtual Program via Zoom**

Feeling frustrated and helpless about racial injustice in the United States? The Marianist Social Justice Collaborative (MSJC), the St. Louis Social Justice for All Team (SJ4A), and the West St. Louis County Collaborative invite you to join in sharing prayer, songs and dialogue focused on overcoming racism. This will be an inspiring, challenging, and reflective experience. We are holding this reflection in preparation for Juneteenth (June 19), the day African Americans celebrate their freedom from slavery. For more information contact Jim Vogt at jimvogt2@yahoo.com. The program will also be livestreamed at <https://www.facebook.com/TheMSJCpage/wall/>.
