## *Rehearsal Dinner Coverage*

Starts at \$250 an hour

This is recommended for couples that want to knock out their extended family photos ahead of time! Or if you have an amazing venue for the rehearsal dinner and want couples pictures, this is the time to do it! It also allows myself to get to know a bit of the family so on wedding day I can know more of who's who!

## *Film*

Starts at \$100 per roll

Film has made its rise back to the modern-day photographers! It is a unique way to capture the day that isn't through a digital lens. I will deliver all prints physical/digital and negatives once developed.

## *Anniversary Session*

Starts at \$300

My biggest regret was doing all this work for an upcoming anniversary one year, and never getting a single photo of it! Get dressed up, and let's create new memories together!

## *Love Notes*

Jenn truly was amazing. From start to finish the pictures turned out great!! She was able to capture the perfect moments before and after and even made incredible memories for us through the photos. Very very talented and would fully recommend to anyone wanting engagement pictures or wedding pictures!!!

*Ian + Sabdi*

As a wedding planner I fully understand the value of a quality wedding photographer. Jenn was so personable and pleasant! She was an absolute joy to be around, made the day fun, light hearted but also knew how to take some great shots! The gallery was beautiful! Thanks Jenn!!

*Brittany owner of Brittany Bauer Events*

Jenn is truly the best! She is not only a talented artist but she loves what she does, is flexible and communicative and DELIVERS!!! If you want to be obsessed with your engagement photos as much as I am, look no further! Jenn is the real deal :)
