# BEHIND THE LENS

Hey! How lovely of you to stop by :) My name is Alicia Marie Hicks and I am the owner of Alicia Marie's Photography - NWI.

I am the wife of a former airman and incredible father, Colby Hicks. I am Caydence's, Adalynn's, and Kaylynn's mommy. My girls are 11, 7, and almost 4.

I am a makeup lover, singer, and lover of all things artistic. I shoot every wedding with every piece of my heart. I am very passionate about what I do... and I love my job and my family more than anything in the world. I am blessed and in more ways than one. If you choose me to be your photographer... I promise to deliver the most beautiful images. I will shoot your wedding day as if it were my own. I will be there for you every step of the way. I think it is important to not only love your photographer and their personality.. but to work with someone who will guide you and not expect you to know how to run the session or pose. That is my job, and I can promise I will make it comfortable and pain free. I am ridiculously laid back.. and I like to believe I am super fun! ;) I love kids and animals. I am the type of photographer that values your day and these most important moments in your lifetime.

I promise I will give my all, and then some. I appreciate you taking the time to read more about me but the truth is I just can't wait to learn all about your story and to take the time to capture it as you deserve.

- Alicia

*"A thing that you see in my pictures is that I was not afraid to fall in love with these people."*

# BOOKING DETAILS

## INQUIRY

The very first thing you should do is choose a package that best fits your need from my **BOOKING SITE**. Then you can let me know of any add-ons or substitutions you would like.

I will let you know within 24-48 hours or sooner if I am *available* for your date.

**Note:** I kindly ask that you do not inquire about dates unless you are fully ready to book the service as I cannot hold dates without a deposit or payment. You are welcome to inquire about the availability of course but if you cannot book until a few months out I request you contact me at that time. I would hate to walk you through the process of everything just to have the date booked between the time we talk and the time you can book. I book weddings multiple times a month and my schedule can change on a dime. I don't want to waste your time if I cannot make a commitment to you. My time and yours are valuable and I want to keep this process as easy, simple, and stress-free as I can. Once you submit your request I will adjust the invoice as discussed and send you a final invoice.

## CONTRACT

Before any Payment is made I will send you a digital contract to sign that I have signed as well. It is important that we sign the contract on the same date payment is made for legal purposes.

## QUESTIONNAIRE + PDF INFORMATION

I will then send you a questionnaire that you can submit at your earliest convenience.

# " A M I R A C L E "

"Alicia is *worth* it, and I will tell you why. On the most important day of my daughter's life, the day a mom looks forward to *most...* I was unable to spend a lot of time with my daughter while she got ready. Due to a *major mishap* with the venue, I truly thought there were *no* pictures of me with her at all. Thanks to *Alicia*, her *many* years of experience and *passion* for her work, I received a **miracle** that day as she made sure she captured lots of pictures of me with my girl and our family. She made a major mishap a very *happy* moment. You may not get that with someone *less* expensive. Remember we live in a world where *you get what you pay for!*"

-Kim Curtis Miller

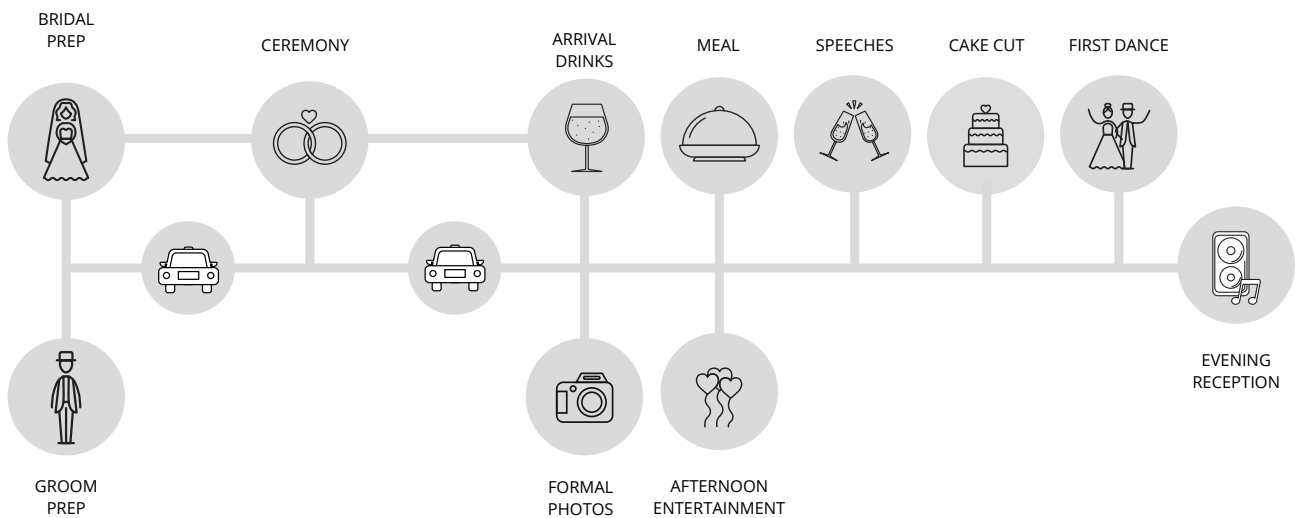

# "MAGICAL WAY OF FINDING EVERY ANGLE"

"There just aren't enough words to possibly describe how amazing Alicia is and every photo that she captures. She made my wedding look like a fairytale! She also did my wedding makeup, which was STUNNING! She has a magical way of finding the perfect angle, lighting, and expressions. She is very responsive, easy to work with, and FUN. She is great with kids and families and her work is absolutely stunning! She has always been on time for every session I booked with her. I recommend her to anyone looking for a photographer — She is the best!"

# A TYPICAL WEDDING DAY

## Timeline

*Keep in mind... this is just an average timeline and visual.*

" I WILL NEVER  
BOOK WITH ANOTHER "

My husband and I have been booking sessions with Alicia since our wedding in July of 2017. Her passion and love for her art is shown in every photo. The level of comfort that she provides you, as her client, is priceless. I have not encountered another who is as understanding and down-to-earth as her. As long as Alicia is behind a camera, I will never book with another.

# AFTER THE BIG DAY

## WHAT WILL HAPPEN AFTER THE WEDDING?

- I can only hope that my portfolio was helpful to you in deciding that I was the right photographer for your wedding. I retain the copyrights to any photos I take so I do use them for advertising purposes. I work hard to capture this magic for you and I would love to share with other couples what I did for you both.
- If there are any explicit photos that were taken during this day (boudoir, getting ready, private photos) I am fine with keeping those photos private and off of social media. I also password-protect those galleries as well.
- Within a week you will receive your preview gallery. Feel free to post and share and keep an eye out on social media for photos from your event on my photography page.
- 2-3 months after you will receive your final gallery. Feel free to post and share to your heart's content. These are your photos and I want you to love them.
- 1-2 months after that I will send out any album or product fulfillment. Please make sure that your address is current in my system if you move after the wedding.

## ALBUMS / PRODUCTS / USB / ADD ON / CANVASES

- **CANVAS:** I will ask you to screenshot images to select for them when the final gallery is delivered.
- **WEDDING ALBUM:** I will need you to favor 120 photos from the day in your gallery. If you aren't sure I just want you to know that I can automatically access these lists in my
- **USB and BOX -** I will directly mail it to you personalized 1-2 months after the final gallery.
