The Session Guide

for Graduates and Couples

Welcome! I'm so excited you're considering a session with me. My goal is to make your experience seamless, enjoyable, and, most importantly, a reflection of you.

This guide will walk you through everything you need to know to feel confident and prepared for your session, from choosing the perfect outfits to selecting a meaningful location.

What To Wear

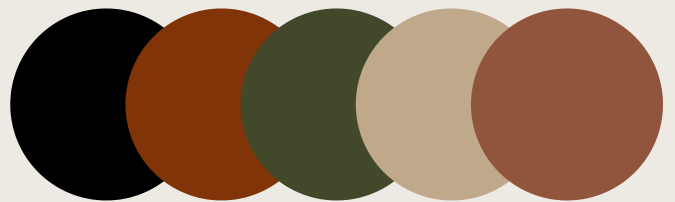

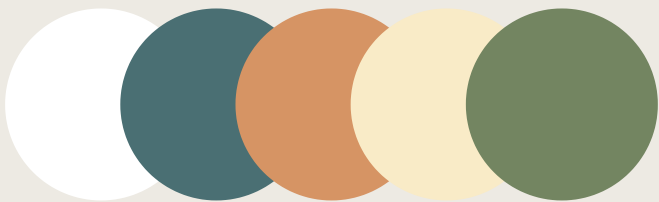

Choosing the right outfit can elevate your photos and reflect your personal style.

Stick to neutral or soft colors like cream, sage, and blush to create a timeless look.

Avoid busy patterns, logos, or neon colors.

Coordinate outfits without matching exactly. Think complementary tones.

Accessorize sparingly to add personality without distractions.

Location Ideas

The right location sets the tone for your session. Here are a few ideas:

House in Brawley

Sunset Cliffs, SD

Glamis

Brawley Cattle Call

Park in Yuma

Desert Area in Imperial

FAQs

“How long does the session last?” Photo sessions last from 45 minutes to 1 hour.

“What happens if the weather is bad?” I always keep an eye on the forecast. If needed, we’ll reschedule to a new date that works for you. Cloudy skies can still make for stunning photos!

“How far in advance should we book?” I recommend booking your session at least 1 month in advance to secure your preferred date and time. Your final gallery will be delivered within 2 weeks after your session.

“How many photos will we receive?” You’ll receive 100-200 fully edited, high-resolution images in an online gallery to download, print, and share.

“Can we choose the location?” Yes! I love collaborating on locations that reflect your personality or have sentimental meaning. If you’re not sure, I can suggest some of my favorite spots.

Thank you for considering a session with me! I'm so excited about the opportunity to create something truly special for you. Whether it's your engagement, graduation photos or just because, my goal is to make your session a fun and meaningful experience that results in images you'll cherish forever.

If you're ready to book or have any questions, I'd love to connect. Let's make this happen!
