# FREQUENTLY ASKED QUESTIONS

---

## **Q: How far in advance do you book?**

We book up to 2 years out.

## **Q: Can we adjust the packages to fit our needs? Will this affect the pricing?**

Yes, we love to help couples build their own perfect package to suit their particular needs and desires.

## **Q: Do you offer discounts for the off-season, weekdays, or Sundays? Military discount?**

We do! Discounts vary based on headcount etc. Our military discount is based on which package you end up booking.

## **Q: What does your payment plan look like?**

We ask for 50% at time of booking and the second 50% is due 60 days before event date. Can be paid via credit card through our booking system or cash - we do offer a cash discount as well.

## **Q: What ceremony locations do you offer? How many guests can each accommodate?**

We have our standard outdoor ceremony space as well as an indoor space if needed. We can accommodate (150) people total. This number should include the wedding party and family as well.

## **Q: Do you offer on-site day-of coordination?**

We do not, but we have a list of wedding planners that we work with. The bride and groom get to choose which one from the list that best suites their needs.

## **Q: Can I hire my own vendors or is there a preferred vendor list?**

We offer a preferred vendor list but do not require couples to choose from that list other than for the wedding planner. It is however, strongly recommended that couples try to use vendors (especially catering and bar staff) that have worked at our venue before. It is not required though.

## **Q: Do you have decor inventory we can borrow from?**

We have a huge decor shop that you can choose items from as well as bring any of your own decor. Any decor you use from our shop or you bring in will be implemented by your wedding planning team as all of our approved planners have a design package they offer.
