## 13) WEATHER POLICY

The Wildflowers Friday Night Market operates rain or shine, as long as weather conditions are safe. Vendors should be prepared for various weather conditions, including wind, rain, and heat.

- Rain: The market will proceed unless there is a severe weather warning (e.g., thunderstorms, high winds, or extreme weather alerts). Vendors must ensure their tents and displays are securely weighted down to prevent accidents.
- Heat: Vendors should bring water and take necessary precautions to stay hydrated and cool during hot weather.
- Severe Weather: In the event of unsafe weather conditions, Wildflowers will notify vendors of any changes, including delays or cancellations, via email or text.
- Refunds: There will be no refunds or credits issued for missed markets due to weather conditions, as vendors are expected to prepare accordingly.

Your safety and the safety of our patrons are our top priority. Please monitor the weather and plan accordingly to ensure a successful market experience.
