CIGAR TRUCK:

Our packages as listed are for a typical wedding reception which is 3.5 hours. We will need an hour for set up and an hour for breaking down. This is a total of 5.5 hours on property. Please let us know if we need to set up earlier if our set up will interfere with your wedding ceremony. We do not want to cause a distraction and we do require a little bit of noise in order to prep our generator. If you would like for us to set up prior to your ceremony, an hourly rate of \$150 will apply.

We require adequate room to park and maneuver our cigar truck and it will be required that your venue approve our mobile unit being on property and have cleared access for a truck and our mobile unit to pull in and out of.

CIGARS:

Our packages include our house cigar bundles in quantities of 10/15/20. Additional house cigars may be reserved ahead of time. We do ask for at least 30 days notice if additional cigars are needed.

We also have a built-in humidor for specialty premium cigars that we will sell on-site for your guests who wish to purchase specialty cigars at your event. If you wish your guests to not pay for these and you would like to run a tab, we request a signed agreement for this option and a credit card on file for any additional purchases. If not, they will be sold per item to your guests.

Premium cigars are sold A La Carte. House Cigars Bundles can be prepaid.

All cigar services must have written approval from the venue + contract signed with the client and venue.

COFFEE:

Our coffee is espresso coffee served “cuban style” in 2-3 ounces with nice disposable cups. No custom coffee orders are allowed but there will be a station for cream + sugar for your guests.

Pricing is \$5 per guest count (except for any children under the age of 12) and is for the entire time of the rental.

A minimum count of 50 guests is required.

ADDITIONAL FEES

A 20% service fee is added to all cigar + coffee packages for our staff.

We are required by law to include sales tax on all cigars + coffee sales.
