

WHAT IS YOUR STYLE OF PHOTOGRAPHY?

Our style is romantic, filled with light, and saturated in salty air. We believe in there being a perfect blend of candid moments captured as well as professionally posed portraits. We are a take-charge photography team that never leaves you guessing if you “doing it right.” We take pride in our expertise acquired over 12 years in this industry that allows us to capture effortlessly natural and romantic images that tell YOUR love story.

WILL WE OWN THE RIGHTS TO OUR PHOTOS TO DOWNLOAD, PRINT, AND SHARE?

Absolutely! You will have the right to do all of those things. Your images are high-resolution images that are watermark-free.

You simply cannot edit, alter or sell your photos.

DO YOU HAVE A SECOND SHOOTER WITH YOU ON WEDDING DAY?

Always! There will always be another shooter with me on wedding days.

ABOUT HOW MANY IMAGES SHOULD WE EXPECT IN OUR FINAL GALLERY?

This answer depends on a lot of variables. Such as, how many additional hours, if any, are booked.

If we are capturing a first look, shooting a full ceremony in a church, shooting a longer reception, extended cocktail hour, all of these factors affect your final image count.

The longer we have together on wedding day and more we have to shoot, the more images you can expect.

Roughly, couples receive anywhere between 2,200 and 4,000 images.

WHAT IF WE ALREADY HAD AN ENGAGEMENT SESSION OR DO NOT WANT/NEED ONE?

No problem whatsoever. You have the option to remove it from your collection for a monetary discount OR you can apply that session to the wedding day for a

FREE hour of coverage. You may also save the session for up to 3 years and use it as you please.

IF WE DO WANT AN ENGAGEMENT SESSION, WHEN DO WE BOOK FOR THAT?

We typically book your engagement session to be within the same season that of which you are getting married. We can absolutely book your session to be a different season from which you will be getting married if you want a different style for engagements and wedding day. Images have a 5-7 day turnaround so do not feel rushed to book.

Weekends are VERY limited for sessions, however, as weekends are typically booked with weddings. We also book TWO dates for engagement sessions in case of inclement weather.

SHOULD WE GET OUR HAIR AND MAKEUP DONE FOR ENGAGEMENT SESSIONS?

YES!!! Why not go all out? Plus, the camera loves makeup and false lashes. TRUST ME. Be sure not to forget a manicure/pedicure and getting your ring cleaned before the shoot.

HOW LONG DOES IT TAKE TO GET OUR IMAGES BACK?

The contract will ask you to please allow 4-6 weeks, but if you were referred to me by another couple, I am sure you know you get your images back MUCH faster than that!

CAN WE ADD AN ALBUM ON LATER IF WE DO NOT OPT FOR ONE AT THE TIME OF BOOKING?

Absolutely. You can add an album on at any time.

DO YOU OFFER WEDDING PLANNING OR DAY OF COORDINATION SERVICES AS AN ADD-ON?

Yes, we do. Please refer to our team page and inquire for further information and pricing.

CAN WE BUILD A CUSTOM WEDDING COLLECTION IF WE DO NOT NEED FULL-DAY COVERAGE?

Surely. We have al-a-carte options for you to choose from and you can build a collection that best fits your wedding day needs.

DO YOU HAVE VENDORS YOU PREFER TO WORK WITH? I DO!

I have them listed with their contact information in the Wedding Guide featured in the VIP Lounge and a physical copy will be sent to you at the time of booking.

DO YOU TRAVEL? 1000%!

WE LOVE TO TRAVEL! Please see our section on Destination weddings. Do not be weary to ask if we travel domestically or internationally.

We happily do both. There is also a different pricing guide for domestic vs international weddings.

WILL YOU HELP US WITH OUR TIMELINE AND WEDDING SHOT LISTS?

It would be my pleasure. After a few hundred weddings, we have seen every kind of timeline and we know how to best plan out your day so that pictures are a PART of your day, not time away from it. We will work together on drafts of your wedding homework that you will receive at the time of booking.

Have more questions? Can't find an answer here? No problem whatsoever. Kindly send us an email directly to info@kaitlinnoel.com so we can happily answer any and all questions you may have. In the words of my favorite fast-food chain, "It would be our pleasure!"
