

## PRICING

Your viewing session will have thirty 5x7 images displayed in an 8x10 mat. Each purchased image also comes with a digital copy with personal printing rights. You can purchase images individually for \$105 each or choose from a collection below. Payment plans are available at 3 or 6 month terms.

### UNBOUND ALBUM BOX

Bound in cloud leatherette with a glass lid, these boxes hold 10, 20 or 30 images. You can change out the image in front to display as a frame and also look through the box as an unbound album.

### PRINTS

Photographic prints have a longevity of 100 years in typical display conditions and 200 years in dark storage. I use Lusture Kodak Endura Professional paper at the nations premier print lab.

Proof sets are perfect for a Grandparent's gift or to display in your office! This 4x6 glass box holds each image from your session. Proof sets can be purchased for \$250.
