# One Shot TO MAKE AN IMPACTFUL FIRST IMPRESSION

Unfortunately, We Judge Books By Their Covers, And Headshots, Too. It's Definitely Not The Place For A Selfie. A Good Photographer Uses Composition, Proper Lighting, And Flattering Poses To Make You Look Great.

Think Of Your Headshot Like The Logo Of Your Personal Brand... It Gives People An Idea Of Your Personality Before They Ever Meet You. A Smile Portrays Approachability. A Serious Look Portrays Determination. Make Your Expression Match Your Personality. I Choose To Smile In Mine!
