Family Formals
SHOT LIST

Below is my foundational formals shot list! It's a good place to start as you consider the portraits you'd like taken of your family.

I recommend including the first name of each family member alongside their relation to you, so that your photographer has all the information they need to get through your family portraits smoothly & efficiently! *For example: Mom (Betsy), Step-Dad (John), etc.*

Bride's Immediate Family

- Couple with Parents, Siblings, & Grandparents
- Couple with Parents & Siblings
- Couple with Parents
- Bride with Mom
- Bride with Dad
- Mom & Dad Alone

Combined

- Couple + Both Immediate Families
- Couple + Both Sets of Parents

Groom's Immediate Family

- Couple with Parents, Siblings, & Grandparents
- Couple with Parents & Siblings
- Couple with Parents
- Groom with Mom
- Groom with Dad
- Mom & Dad Alone

The list above takes approximately 30 minutes to complete.
