

# partner *with us*

After nearly 4 years on staff at *Church of the Messiah* and studying at *Ryle Seminary*, we began the discernment process for our next steps. This prayerful process has led us to an Associate Pastor position at ***New Song Church in Port Perry ON.***

*Through this opportunity, I will become an ordained pastor which will then launch me into a lifelong career of pastoral ministry.*

This position will also allow me to learn the valuable skill of fundraising by fundraising 1/3 of my salary (24k per year, for 3 years) while also being monetarily supported by ANiC, and New Song Church, as they commit to the other 2/3.
