

J A I N E

2020 ROSÉ
COLUMBIA VALLEY

Jaine inspires us to celebrate life's beautiful moments in the company of others. Capturing the essence of a single vineyard, each bottle of refreshingly crisp white and rosé wine is hand-harvested from sustainable sites and crafted with minimal intervention. This collection is a joy-filled tribute to our mother and grandmother, Mary Jane, who reveled in simple pleasures and everyday gatherings with family and friends.

"Perfumed aromatics of dehydrated strawberries, rose water, and watermelon rind. Swirling adds spring flowers, crystallized peaches, fresh herbs, and chalk. A polished wine with lifted acidity."

- Bryan Otis, Proprietor

IN THE VINEYARD

The 2020 Jaine Rosé was crafted exclusively from Thunderstone Vineyard, a small vineyard parcel located on the Royal Slope of Washington State's Columbia Valley. The vineyard is fully sustainable and uses organic farming methods whenever possible. The vines were hand-harvested early in the evening of October 6th, 2020.

WINEMAKING

Upon arrival at the winery, the grape clusters were de-stemmed and macerated for 24 hours before pressing. The Grenache and Mourvèdre were fermented separately and then blended after 6 months before preparing the wine for bottling. The Rosé was fermented and aged entirely in stainless steel to maximize its aromatic potential. Over the course of 8 months, this wine was individually evaluated over 40 times by our winemaking team, and finally bottled with a light fining and filtration between June 8th and 10th, 2021. Only 1,090 cases were produced.

VINEYARD

Thunderstone Vineyard

VARIETAL COMPOSITION

94% Grenache 6% Mourvèdre

ALCOHOL

12.8%
