

Admissions Acknowledgments

By submitting an application for admission to Gloucester County Christian School (GCCS), parents/guardians affirm their understanding and agreement with the following:

1. **Accuracy of Information** - All information provided in the application is complete and accurate. I understand that false or omitted information may result in the denial or revocation of admission.
2. **No Guarantee of Admission** - I understand that submitting an application does not guarantee enrollment. Acceptance is at the discretion of GCCS.
3. **Doctrinal Agreement** - I acknowledge that the school's doctrinal statement will guide all instruction, chapels, events, and activities. I agree to support the standards outlined in the Student Handbook.
4. **Use of Student Image** - I give permission for my child's image to be used in GCCS promotional materials, including photography, publications, the school website, and social media.
5. **Conflict Resolution** - Any dispute with GCCS will first be addressed internally. If unresolved, it will be settled through binding Christian mediation or arbitration.
6. **Participation in Activities** - I consent to my child's participation in school-sponsored activities, including field trips.
7. **Classroom Discipline** - I support the teacher's authority to manage and discipline within the classroom.
8. **School Authority** - GCCS reserves the right to suspend, dismiss, or deny re-enrollment if a student or family is uncooperative with the school's spiritual, academic, or administrative expectations.
9. **Tuition Responsibility** - In the event of early withdrawal, I will pay all prorated tuition and fees for the time my child was enrolled.
10. **Academic Records** - All academic records, including report cards and transcripts, may be withheld until all financial obligations are met.
11. **Insurance Policy** - I understand that the GCCS student accident insurance is secondary to any existing family medical insurance coverage.
12. **Parental Partnership** - I agree to actively support GCCS by:
 - Being involved in school life
 - Praying regularly for the school
 - Making timely tuition and fee payments

I understand that enrollment at GCCS is a privilege, not a right. If my child is accepted, I will honor the school's policies and support its mission. Should concerns arise, I commit to resolving them directly with staff or administration rather than through gossip or criticism. GCCS reserves the right to request the withdrawal of any student or family that does not align with the spirit and mission of the school, even if specific rules are not violated.
