FINISHES*

RESIDENCE IA

MAISON COMMONWEALTH

*Dear Prospective Purchaser,*

*Thank you for your interest in Maison Commonwealth. Our design, finishes, artisans, and products represent the differentiating factor of our Maison Brand. We encourage you to review our finishes carefully; from the origin and type of marble, the exclusive brand of faucets, imported doors and invisible hardware, to the discreet remote thermostat sensors, the HVAC design, our secondary closets, and more. Many products are sourced by Adige Design, a European design and material sourcing team with exclusive products not otherwise available on the Boston market.*

*As a development of only five Residences, Maison Commonwealth remains a true boutique building and among the smallest concierge buildings on Commonwealth Avenue, allowing fewer residents to have more attention and service from their concierge.*

#### CUSTOMIZATIONS NOTICE

Customizations are generally not permitted until after closing. Any customizations requested by a Purchaser will be reviewed on a case-by-case basis.

#### FINISHES DISCLAIMER

All finish specifications are subject to change at any time without notice and subject to the right of the Seller to substitute finishes at any time and at its discretion as provided in the Purchase and Sale Agreement. Such specifications may not be construed as a representation, warranty or contractual offer by the Seller, Commonwealth Avenue Partners LLC, Gibson Sotheby's International Realty LLC or any agent of any of the foregoing. For correct representations, reference may only be made to documents required to be provided by a Seller to a Condominium Purchaser pursuant to Massachusetts law and any executed contractual documents between the Purchaser and the Seller of such Condominium.

# LOBBY

## Maison Commonwealth Lobby & Elevator

Assembling a curated collection of artisan-crafted elements, Maison Commonwealth's lobby establishes a tone of elegance and grandeur—an alluring reception. The up-lit, vaulted ceiling with intricately detailed hand-cast plaster crown molding draws the eye upward, while the custom Italian marble floor pattern inlaid within the warmth of imported oak chevron patterned flooring invites progression inward. The elevator features doors that recall Parisian wrought iron design with a custom appointed elevator interior. The lobby at Maison Commonwealth captures the Maison Brand's essence with a design that brings together modern elements in an exquisitely classic envelope.

## Open Floating Staircase

Minimalist open floating wood tread stairs, supported by the clean line of a single steel stringer. Open side of stair is enclosed with glass balustrades on metal standoffs.

# DOORS & WINDOWS

*Windows, Shades*

*Sample Installation Image  
Maison Vernon Residence III*

## Windows

---

New custom-made locally crafted mahogany double-hung insulated windows to match historic profiles with modern materials, efficiency, and operation.

Windows facing Commonwealth Avenue have one-over-one divisions, and windows facing towards the alley have two-over-two divisions.

## Shade Pocket

---

For Commonwealth-Avenue-facing windows, a discreet built-in shade pocket can accommodate powered Lutron shades. Shades are to be owner selected and installed.

## Splayed Window Surround

---

Commonwealth-Avenue-facing windows of the Living & Dining spaces are detailed with a splayed window surround to create a layering of light and shadow that dramatically accentuates the width of the window by juxtaposing ornate crown for a clean, modern feel.

# LIGHTING & TECHNOLOGY

*Lighting & Shade Control, Audio-Visual*

## Lighting Control System

---

Residences are delivered with a Lutron lighting control system. Thoughtfully designed with elegance and minimalism in mind, keypads in the Living Room, Kitchen, and Primary Suite allow residents the convenience of pre-programmed settings at the touch of a button or through Lutron's mobile application. Personalized engravings and other customizations are available for an upcharge upon request.

## Shading Devices

---

Commonwealth Avenue-facing windows are pre-wired for automated Lutron shades, with wires terminating in the AV closet. Shades are not included, allowing residents to select their own preferred shading specifications. Please note: The exterior of the shades must receive Condo Association approval.

## Audio-Visual

---

Residences are pre-wired for audio-visual in the Living Room, Kitchen, and Primary Suite. Speakers and televisions are not included, allowing residents to select their preferred specifications. Please note: Audio-visual plans indicating device location and wiring are available upon request.

<b>VENDOR</b>	Google
<b>LINE</b>	Nest Temperature Sensors
<b>SIZE</b>	1.9" diameter
<b>COLOR</b>	White
<b>FEATURES</b>	Discreet, modern sensors located in the Living Area and Kitchen are designed to blend in with the wall while communicating with remote thermostats.

## Heating & Cooling System Design

The heating and cooling system was designed with a level of care and elegance in mind, most often overlooked in even high-end developments. Residences are served by centralized equipment on the rooftop and building mechanical room, reducing sources of mechanical noise and optimizing space for usable area within the Residence.

Forced air heating and cooling is delivered by way of a top-of-the-line system, a 2-pipe heat recovery system that allows for simultaneous heating and cooling of different zones within the Residence.

## Heating

Heating is provided by way of a multi-stage sequenced delivery. The first stage activates forced air, resulting in a quiet, low-velocity air distribution. The second stage activates in-wall hydronic radiators in the exterior walls concealed behind custom decorative iron grilles, delivering a comfortable and efficient heat source under the window openings during cooler months.

For further warmth and comfort in the bedroom bathrooms, electric radiant heat is provided beneath the floor tiles, as are wall-mounted electric towel warmers.

Supplemental ambient heat is provided by gas fireplaces in the Living Room and Primary Bedroom Suite.

**FINISHES DISCLAIMER**

All finish specifications are subject to change at any time without notice and subject to the right of the Seller to substitute finishes at any time and at its discretion as provided in the Purchase and Sale Agreement. Such specifications may not be construed as a representation, warranty or contractual offer by the Seller, Commonwealth Avenue Partners LLC, Gibson Sotheby's International Realty LLC or any agent of any of the foregoing. For correct representations, reference may only be made to documents required to be provided by a Seller to a Condominium Purchaser pursuant to Massachusetts law and any executed contractual documents between the Purchaser and the Seller of such Condominium.

**RENDERING DISCLAIMER**

The artist renderings, fixtures, finishes, appliances, interior decorations, specifications, terms, conditions and statements contained herein are examples for illustrative purposes only and shall not be construed as representation or offering and shall not create a contractual relationship of any kind as to the content contained therein. The Seller reserves the right to modify, revise or withdraw any or all of each of the foregoing in its sole discretion and without prior notice. Renderings may contain illustrations of finishes that are not included in the finish package to be delivered with the Unit. For actual items included in the Residences, consult only the documents provided with the Purchase and Sale Agreement and such other documents required to be provided by a Seller to a Condominium Purchaser pursuant to Massachusetts law.

**SAMPLE INSTALLATION DISCLAIMER**

Sample installation images shown herein are to show products as similarly installed in other units previously constructed but not constructed as part of this development. However, while the products may be the same if so specified, sample installation images may not be representative of the layout or configuration of such products in the Residence being offered for sale. Please use this Finishes Book in consultation with floorplans and architectural drawings indicating proposed layouts and configurations of such products for any Residence.
