

Class Pack and Bin System

Class Packs

- Class Packs are REQUIRED for this season, to keep performers from sharing materials the goal of having individual materials is to keep touched surfaces at a minimum.
- These items are to only be used for classes (virtual and in person), do not use them else where, or share them.
- Class Packs need to come with performers each week and go home each week as well.
- Musical Theatre, Choir, Singers Company and Drama students do not have to purchase class packs.
- Absolutely NO backpacks, purses, coats, or large athletic bags are allowed into the facility. Performers who drive may bring their wallet/keys inside the building. When temperatures drop we will announce a policy for coats.
- Adults who need to enter the building will be allowed to bring in only what fits in a bin (purse, water bottle, etc.) Diaper bags are allowed inside for parents with very young performers.

Class Bins

- Upon entering the building performers will be given a Class Bin from the clean Bin station at the door by a gloved staff member.
- All class pack materials, water bottles, and shoes will go into the Class Bin and stay with the performer until they leave. (yoga mats/blocks do not have to go in the bin)
- Class Bins will be placed by the performer on their "bin dot" near their spot in class.
- Class Bins are to be emptied and placed in the Dirty Bin pile right outside the classroom door before leaving.
- Class Bins are cleaned each night before reuse.
