SALE BEGINS AT 4 PM

33732 SE WHITE OAK DRIVE CORVALLIS, OREGON

BROADCAST BY:

★ ★ WELCOME ★ ★

TO LEGENDS OF THE FALL 2023

Dear Friends & Guests,

Welcome to the 5th Annual Legends of the Fall Steer & Heifer Sale. We are once again excited to offer this sale just outside of Corvallis, Oregon. We are also excited to offer the set of cattle we have assembled this year and to be adding DV Auctions. Adding this online option will give our buyers one more way to attend.

Arcuri Ranches, from Springfield, Oregon, is one of the state's leading Purebred Angus operations. Ryan and family have assembled the most trusted genetics from the industry's leading programs. You can find cow families from Express, Silveiras, Gohrs, and more at the ranch. The Arcuris focus on producing foundationally sound heifers and bulls that read with some of the best EPD numbers in the breed. These cattle also possess the phenotype that makes them ultra-competitive in the showing. Arcuri Ranches Cattle have won numerous jackpot shows and state fairs with their females, while their bull program has produced the Supreme Champion Bull at the Klamath Bull Sale twice.

Colson Cattle and Grace Cattle are both based outside of Corvallis, Oregon. Their farms are keenly focused on raising the highest quality show steers and heifers for 4-H, FFA, and jackpot exhibitors. They mostly use a purebred cow-base, crossed with some of the winningest show and club calf sires to ever stand in front of a backdrop. Understanding the genetics and how these out-crosses work is why Colson and Grace Cattle remain sound, functional, and proven.

The Colsons have produced very competitive cattle, many of which have been winners at local, state, and national shows. Colson Cattle also offers a unique opportunity for youth to raise and sell show projects through their cooperator program. For more information on the cooperator program visit with TJ or Samantha.

Since 2019, Arcuri Ranches and Colson Cattle, with the help of their cooperators, have partnered together for the "Legends of the Fall Sale". All programs have tremendous synergy. And working together not only provides our customers with more options, but it also brings together more than five decades of raising superior cattle. When you purchase cattle from any operation you just don't buy an animal. You are investing into proven programs with next level service and support.

Whether you are a long-time returning customer or here for the first time, we are confident that you will be impressed and appreciate the 2023 offering of calves. From our families to yours, we thank you for attending and for your interest in our programs!

Best Regards,
The Arcuris, Colsons, & Wilfongs

This Year's Cooperators:

Hinton Cattle Company, Powell Butte OR | Maddie Neuschwander, Shedd OR | Lulay Livestock Company, Scio OR
Boyer Farms, Oakville WA

★ ★ INFORMATION ★ ★

PURCHASE WITHOUT ATTENDANCE:

Buyers unable to attend the sale in-person can contact the sale day phones, ringmen, auctioneer or log on to DVAuction.com to submit their bids. Sale Day Phones will also contact buyers upon request.

TERMS & CONDITIONS:

Cattle sell under the suggested Terms and Conditions of the American Angus Association. angus.org/pub/suggested_sale_terms.pdf

Each seller may have their own supplemental Terms and Conditions document. Such a document will be available the day of the sale.

All female cattle sold through the LOTF Steer & Heifer Sale will be sold with a Buyer and Seller agreement that the Seller will be allowed to retain one (1) successful flush [defined as three (3) viable embryos] at the Buyers convenience and Seller's expense.

ANNOUNCEMENTS:

Updates around the cattle or sale may become available the day of the sale. Those updates will be provided by a supplemental form in writing or verbally announced from the auction block. All supplemental updates expressed verbally or in writing the day of the sale precede the printed material contained in this sale book.

HERD HEALTH:

All cattle will be accompanied by a vaccination health record and the proper health certificates as required.

PAYMENT, LOADING, AND YARDAGE:

Payment for all cattle being sold is due at the conclusion of the sale and before cattle are released. Payment methods include cash, check, and credit card. If using a credit card, a 3% service fee will be calculated from the amount due and added to the final invoice. Sale cattle will not be released until the conclusion of the sale. Loading of cattle will require the Buyer to show proof of ownership with a copy of a paid invoice and signed Bill of Sale from the sale management. If you make a purchase and are unable to remove your cattle from the sale facility 24-hours after the conclusion of the sale, you will need to make arrangements with TJ or Samantha Colson. A yardage fee of \$10 per head per day may be added for cattle staying beyond the 24-hour grace period. Under no circumstances will the Sellers (Colson Cattle, Grace Cattle, Arcuri Ranches, or their cooperators) assume risk or liability for cattle left in yardage at the conclusion of the sale.

TRANSPORTATION:

Cattle purchased from the sale that require transportation are the responsibility of the Buyer. The Seller can assist with facilitating transportation of the purchased cattle at the Buyers request. Any expense associated with the transportation will be handled between Buyer and Hauler. Under no circumstances will the Sellers (Colson Cattle, Grace Cattle, Arcuri Ranches, or their cooperators) assume risk or liability for cattle being transported.

CATTLE LEAVING OREGON:

Oregon State Law requires livestock leaving the state to have a veterinary health check and papers for transportation over state lines. The seller will arrange and cover the expense for the required health check and papers for any sales outside of Oregon.

REFRESHMENTS:

Complimentary snacks, *steak dinner, and beverages will be available.

*Steak dinner will require a meal voucher, or a \$20/person fee will be charged. The dinner proceeds will be made available to the LBCC Livestock Judging Team.

★ ★ COMMERCIAL HEIFERS ★ ★

LOT # 1 - IGWT X PVF SURVEILLANCE

SIRE: In God We Trust

DAM: PVF Surveillance

DOB: 2/2/23

This Lot 1 heifer is being offered by Grace Cattle. She is out of an Angus cow purchased from the Gohr Family and a clubby bull who has had a massive impact on the show cattle industry. When you look at the offering of heifers this year, you'll clearly see this female is the biggest bodied female with a tremendous amount of rib shape. She is deep and stout featured. She has a massive hip and hind leg. She's opened up and her stoutness is sure impressive! This heifer will be a contender in the showing, but her real future is being a show steer making factory. **This heifer has the possibility to be registered upon request.*

LOT # 2 - HUNTER BIDEN'S LAPTOP X CHOPPIN WOOD/ANGUS

SIRE: Hunter Biden's Laptop

DAM: Choppin Wood/Angus

DOB: 3/4/23

This Lot 2 heifer, owned by Maddie Neuschwander, is the real deal! This female is impeccably structured, wide from her top to the ground, square and level hipped, elegantly fronted, and very levelheaded. This heifer is out of the same cow who had our Lot 3 heifer in last year's sale. The heifer calf from last year's sale, purchased by the Bradley Family, had several division backdrop photos taken at Oregon State Fair this past month. Of the two commercial heifers being offered, here's the one that you can show as a market heifer or as a commercial, she is bound for banners either way! **This heifer has the possibility to be registered upon request.*

PUREBRED HEIFERS

LOT # 3 - ARCURI'S LADY MAXINE 2306 (AAA# 20725471)

SIRE: Arcuri's Ponder 2107 (AAA# 20111039)

DAM: Arcuri's Lady Maxine 1302 (AAA# 17593764)

DOB: 3/1/2023

Here is one of the most impressive Angus offerings to date! This heifer comes to us from Arcuri Ranches and is one of the best prospects ever produced by Ryan. Her structure and phenotype have caught all the eyes here at the sale facility. She is so elegant fronted, while being monster bellied, huge pinned, and as wooly as you can make an Angus! A female we feel of this caliber is one that can compete on a national stage and come home to be a future matriarch in the donor pen. The Maxine cow family is undoubtedly one of Arcuri's most successful cow families. The females out of this great cow have hung multiple banners in the Arcuri show barn as well as their customers'.

LOT # 4 -ARCURI'S LADY MAXINE 2305 (AAA# 20736857)

SIRE: Arcuri's Ponder 2123 (AAA# 20120492)

DAM: Arcuri's Lady Maxine 1917 (AAA# 19503310)

DOB: 2/25/23

2305 is without question a female that you can build a herd around. This heifer is long, deep, and broody. Her dam goes back to the great Lady Maxine Family. Arcuri's have been offering Lady Maxine progeny to their customers for more than 10 years. In the '21 and '22 sales, these Lady Maxine heifers were the talk of the purebred offering. This cow family has produced more winners than any other cow family on the Arcuri Ranch. Here's your chance to own a numbered female with a ton of look.

JSUL SOMETHING ABOUT MARY 8421
(ASA# 3565879)

MR CCF VISION
(ASA# 2705829)

LOT # 5 - LULAY LITTLE LARK (ET) (ASA# 4233162)

SIRE: JSUL Something About Mary 8421 (ASA# 3565879)

DAM: MR CCF Vision (ASA# 2705829)

DOB: 2/14/23

This is first time we've offered a Purebred Simmental female in the Legends of the Fall Sale, and we spared no expense here! This heifer comes to us from Lulay Livestock and is the result of an embryo purchase out of the infamous GOHR Maggie cow that Colson Cattle purchased from the 2021 Crown Jewel Event. She's a maternal sib to Lover Boy steer being offered as Lot 16. This heifer is extremely long bodied and has impeccable structure. When it comes to a pedigree, I don't think you can line anything up with more power. This heifer's dam is out of Vision, whose daughters sell on average for more than \$15,000, and the legendary SAM! SAM was regarded as one of the most complete and prolific Simmental bulls ever. There's been a lot of debate in the barn about even offering this female. She just has so much to offer, we've elected to put her in this year's sale, and we may regret that decision later. Here's your chance to own a SAM/Vision/Maggie female!

STEERS

LOT # 6 – W/C BET ON RED X IGWT

SIRE: W/C Bet On Red

DAM SIRE: IGWT

DOB: 2/9/23

Without a doubt, one of the best steers we've offered in the LOTF Sale. This orange steer is a flat-out STUD! Sired by the great Bet On Red and out of an IGWT cow Grace Cattle purchased from Oklahoma, this big boned, heavy muscled, and extremely sound steer will be the lead off steer in this year's sale. This calf just offers so much center mass and true skeletal width. His combination of true power, balance, structural integrity, and hair, makes him an easy standout in this year's sale and an easy choice if you want to go win a show! He was bred and raised by Grace Cattle.

LOT # 7 – HUNTER BIDEN'S LAPTOP X CHOPPIN WOOD/ANGUS

SIRE: Hunter Biden's Laptop

DAM SIRE: Choppin Wood/Angus

DOB: 3/7/23

This HBL steer comes to us from Maddie Neuschwander. He's designed right from the ground up. He carries a massive top into a long and level square hip. Speaking of hip, this calf is big pinned when you get behind him. This steer, who has great hair and a sound foundation, has an amazing sweep to his belly when you study him on the profile. This steer packs a lot of power and good into his moderate frame. He will be one that's easy to manage for the first-year exhibitor, yet competitive enough for the more experienced showman.

LOT # 8 - KOLT 45 X TR MR FIRE WATER

SIRE: Kolt 45

DAM SIRE: TR Mr Fire Water

DOB: 1/25/23

This perfectly balanced and massively muscled smoke steer comes to us from our longtime friends at Hinton Cattle. When you study on this steer, you can't find a fault. This flexible and free moving steer is so well made through his front end and ties a perfectly angled shoulder into a big ol' gorilla back. He possesses massive rib shape and carries that mass into a soft flank. The power and design of this steer's hip and his hindleg is impressive! This steer is going to be competitive on the jackpot scene and one I wouldn't want to show against at my fair.

LOT # 9 - MAB (OG) X CROSSBRED

SIRE: MAB (OG)

DAM SIRE: Crossbred

DOB: 2/2/23

Check out this red steer! Sired by the original MAB, this steer is just cool. Bred by Boyer Farms, "Ricky Bobby" is a fan favorite. Not only is this calf packing power, but he also has personality. His puppy dog disposition makes him a perfect steer for the less experienced showman. Personality aside, when you study this steer, you must appreciate his design. He's made right and offers a ton of product. He's a steer where you appreciate his natural muscle expression, rib shape, and depth of flank. Who doesn't love one with good red hair? Here is one of the more bulletproof prospect steers in the sale!

STEERS

LOT # 10 - STRIP TEASE X IGWT

SIRE: Strip Tease

DAM SIRE: IGWT

DOB: 2/7/23

I feel like we all have those cattle that don't picture as good as they truly present themselves. This is one of those cases. Here's one of the few double bred clubby influenced show steers of the sale. This Strip Tease steer is out an IGWT cow Colson Cattle purchased a few years ago from JWR Cattle. When you see this calf in person, he is flat out great! Massive topped, bold ribbed, and big hiped. For the amount of muscle he has, combined with one of the more zipper fronted steers in the offering, this steer will work for both a haired or slick show. He's very athletic and flexible and that's because of his nearly perfect skeleton. This is the best steer Colson Cattle has raised to-date and is one of the more competitive steers offered in this year's sale. We're confident this steer will make his way to the back-drop. He will require a more experienced showman.

SPECIAL OFFERING

LOT # 11 - PEACE OF MIND X 1-80

SIRE: Peace of Mind

DAM SIRE: 1-80

DOB: 2/2/23

Here's the special steer offering of the sale. This calf is out of a cow we call Jade. Jade is an I-80 x Blue Chip, and she was offered as a special donation heifer lot in the 2021 LOTF Sale. Colson Cattle sold half interest of her for \$7500 to a group of donors with the intent of her future calves being sold where 50% of the sale goes to support JDRF, REAL Oregon, and LB Livestock Judging. When you study this steer, he is one that has a tremendous look. He's extremely goose necked, big ribbed, and massively pinned. The calf offers a ton of muscle and width. This steer is amazingly sound and flexible in terms of feet, legs, and skeleton. Like his mother, he has great hair! This is your chance to buy a great show steer where half the money is donated back to three wonderful organizations. The steer is being offered by Colson Cattle, Boshart Trucking, Grace Cattle, Arcuri Ranches, Berger Bros, Red Shed Vineyard, Animal Health Solutions, Full Ahead Transport, Phelan Enterprises, Purina Animal Nutrition, and Ostara Livestock Services.

I-80 X BLUE CHIP
2021 DONATION HEIFER

LOT # 12 - "MARK"

SIRE: Unknown

DAM SIRE: Unknown

DOB: 1/29/23

This end of January born steer is the one we call, "Mark". Mark is an extra embryo that was included in the package we purchased from the 2021 Frozen Classic Sale. One thing we do know is he's no relation to his Simmental flush mate, tag 13. Mark is the perfect market steer calf. He is a competitive calf who is very structurally sound, big topped, stout, and he has plenty of hair, giving him that extra show ring appeal. This steer has a tremendously soft middle and will be an easy feeding project. This calf is one of the best natured in the offering, again making Mark the perfect market steer project for any exhibitor.

STEERS

LOT # 13 – W/C BANK ON IT 273H X SVF STEEL FORCE S701

SIRE: W/C Bank On It 273H
DAM SIRE: SVF Steel Force S701
DOB: 1/19/23

If you are looking for a Simmental that can be shown as a registered steer, here's one for you. This purebred steer is out of a package of embryos Colson Cattle purchased from the 2021 Frozen Classic Sale. From the day this calf hit the ground, he stood on a big hoof and a massive set of pipes. Like his sire and dam, this ET calf is big bodied, stout built, and is a proven converter. He possesses a ton of muscle shape yet has a very clean front end for a full blood Simme. This goggle-eyed calf has some extra color that's sure to draw attention in the show ring. He's the chance to own some of the first Bank on It/Steel Force genetics in the country!

W/C BANK ON IT 273H

SVF STEEL FORCE S701

LOT # 14 – CHOSEN 1 X WAGR THUNDERSTRUCK 21B

SIRE: Chosen 1
DAM SIRE: WAGR Thunderstruck 21B
DOB: 2/19/23

This mid-February born steer is the half-brother to "Beans or JB", the steer purchased by the Wilson Family in the 2021 LOTF Sale that went on to win Grand Champion Market Steer at the 2022 Gilliam County Fair. He's also the half-brother to Klank, who was the high selling steer in the 2022 LOTF last year. When it comes to power, he possesses plenty of it. Don't let his lazy picture here fool you. He's good fronted, square in his design, big hipped, and balances well. From a pedigree standpoint, he's one of most elite steer calves in the offering. Sired by the renowned Chosen 1 and his granddam was Reserve Division in Denver while his dam was Reserve Female at the 2019 Oregon State Fair.

LOT # 15 - DADDY'S MONEY X UNO MAS

SIRE: Daddy's Money
DAM SIRE: Uno Mas
DOB: 2/1/23

Those that follow our program know Rio. Those who have watched the success Kambrie Murray has had with her two Rio heifers know this steer is one you won't want to miss owning. This steer is the half-sib to the Rain heifer that found nearly every backdrop in 21/22 and then again with the lot 2 heifer purchased from last year's sale. Additionally, this steer is a relation to the Supreme Champion Jr. and Reserve Supreme Champion Open Show AOB Female from the 2022 Oregon State Fair. This steer is extra sound, long bodied, big middled, and his deep flank is sure impressive. He packs a ton of muscle and maintains a clean front end. Did we mention good haired? No, he has great hair! This steer will need a more experienced showman. Here's your chance to own the very first Rio steer!

STEERS

LOT # 16 – THSF LOVER BOY B33 X MR CCF VISION

SIRE: THSF Lover Boy B33

DAM SIRE: MR CCF Vision

DOB: 2/6/23

Here's the second Purebred Simmental steer being offered in this year's sale. His nickname is Mogley and he has one of the sweetest personalities – making it easy for him to live up to his sire's name. That's right, he's a Lover Boy out of a CCF Vision and Gohr Maggie. This steer is the natural calf out of the Maggie cow Colsons purchased at the 2021 Crown Jewel Event. This calf is also the maternal sib to the Lot 5 heifer offered in this sale. Without a doubt, one of the stouter made Lover Boy steers we've seen. This guy has muscle, power, and body! It also doesn't hurt that he has some chrome too. Pedigree alone, this steer is destined for a banner and backdrop!

CHOPPIN WOOD
PHOTO FOR REFERENCE ONLY

LOT # 17 – CHOPPIN WOOD X ANGUS CROSS

SIRE: Choppin Wood

DAM SIRE: Angus Cross

DOB: 4/23/23

If you are looking for a later steer who is the most efficient converter for those late summer or early fall fairs, look no further. The clubby bull Choppin Wood has done incredible things for our program and for numerous others. Kane Damon showed a full sib to this calf in 2017 and found lots of success. That steer of Kane's finished in the top 5 that year at the Linn County Fair. When you study this steer, it's easy to see that he's great structured, well muscled, and balances extremely well. A power and performance steer here. He will be an easy feeding steer perfect for those who are looking for one they can push the entire way to their endpoint.
