COMMISSIONS WORLDWIDE

“ONE OF THE
TOP 20 WEDDING
PHOTOGRAPHERS
IN THE NATION...”

— *Photo District News*

A bride and groom are shown in profile, kissing. The bride is wearing a white, strapless, ruffled wedding dress with a long veil and is holding a large bouquet of white flowers. The groom is wearing a dark suit and tie. They are standing on a light-colored stone or concrete surface in front of a large, light-colored stone wall with a dark wooden door in the background.

Experience is everything

AFTER TWO DECADES CREATING WE KNOW experience truly is everything. We take great pride in creating an exceptional journey for you.

THOROUGH. DETAILED. SUPER-ORGANIZED. These are words clients and event planners use to describe our comprehensive photo + cinema planning process. From locations, lighting, weather, permits to your album design—we plan it all so you don't have to worry about a thing.

INCLUDES—Professional gear, team strategy, thorough preparation, back-up gear and creative fees for our highly-selective top-talent team.

WHERE? Anywhere. Our commissions take place world-wide—Paris, London, Grenada, Hawaii, Colorado—to name a few.

PROLIFIC. We're often found with 2 digital cameras on our shoulders and a film camera around our necks...always shooting. Amanda is a formally-trained B.F.A. artist that believes in the magic of film.

HIGHLY SELECTIVE CURATOR. When you receive your portfolio, you will be in a state-of-extreme-of-wow. We personally curate, edit and individually enhance each image you receive in your best-of-the-best fine art portfolio.

YOU'LL RECEIVE. Expect about 100 images each hour of coverage in your password protected online portfolio and ordering portal.

PHOTOGRAPHER, DESIGNER, PRINTMAKER, BOOK EXPERT. Being a great photographer isn't

enough. Storytelling, design, expert book and print making takes time and dedication to master these highly specialized art forms. Rest assured, we've spent two decades doing just that. We will confidently bring your story to life—and take your breath away while we're at it.

IN THE END—you want the best-of-the-best artists to capture your life's greatest moments. And, you want to spend this intimate time with someone that makes you comfortable, knows intuitively when to bring the laughs, doesn't have a problem politely directing you & your family, and knows what needs to happen next without a worry on your part.

That's us—we can't wait to see what magic we can make together!

AMANDA | FOUNDER + PRINCIPAL PHOTOGRAPHER

LOVE, ART AND A
LITTLE LUCK.

That's how I got here.

When I graduated from art school many moons ago, I knew a few things about where I wanted my career to take me.

I wanted my work to involve people, be meaningful to me and my clients, required my creativity and harnessed my love for art and photography.

I found the perfect fit in weddings. After two decades working professionally, countless accolades, and work taking me around the world—I know I made a wise choice.

It's not the shiny awards and celebrity clients that keep me going.

My goal has always been to make timeless art that resonates with me, my clients, and their family over time as much as it does the

day it's made. That's what still drives me to this day.

I feel so lucky all my amazing clients and friends in my life let me do this for a living.

I archive life, create art, document love and make handmade prints and books for awesome clients.

And I look forward to doing the same for you.

xx

TINA | ARTISAN EVENTS MASTER PHOTOGRAPHER

Fresh out of school, many years ago, planning to focus my passion & education in photography on travel, design & architecture, I quickly found myself completely inspired by photographing people and documenting their stories.

Weddings perfectly combine all these elements I am drawn to as a storyteller.

I am inspired by the couples and families with whom I

work, as well as the places and spaces the work takes me.

Artisan Events is home to me. I have had the pleasure to learn from and work alongside amazingly talented Amanda Sudimack for almost two decades.

Seeking to tell your story with timeless and authentic images, my approach is both thoughtful and relaxed.

My commitment is to beautifully capture your story while respecting your experience of the day and the experience of your friends & family.

I can't wait to help tell your wedding story.

xx
