The period from receipt of deposit by the taxidermist to export will be approximately 6 - 8 months for dip and ship, but can be longer for taxidermy work.

Importation of weapons/rifles to South Africa:

The following is of importance:

- Make sure your airlines transport firearms.
- Report rifle during the booking with airlines.

Send us copies of the following documentation ahead of hunt, but also bring copies with you together with original documents:

- Copy of flight ticket
- Copy of passport
- Copy of rifle license/ownership/permit.
- Copy of proof of firearm export from country of origin.
- Your full name, surname, physical address, date of birth.

We will send you an invitation letter that must be taken with you to SA.

- Upon arrival collect your luggage first and then proceed to arrivals terminal. Your rifle will not be with you but be forwarded to the SAPS firearm desk.
- On arrival a member of Shikra Safaris or Bianca Stander (see below) will meet you and take you to the SAPS firearm desk to collect your rifle.
- We will send you an *SAPS 520* rifle import document by e-mail. This should be filled in in black ink but not signed before travelling to SA.
- This signing of the *SAPS 520* document will be conducted before the SAPS official inspecting the rifles and issuing the import license.
- NB: No money is payable for this service.
- ***Weapon import licenses*** can be arranged at cost to be ready on arrival by Me. Bianca Stander (office@safari-concierge.com) Please feel free to contact her well in advance of your safari and for a quote. ***We recommend it.***
