# A CALL TO OUR FRIENDS & PARTNERS!

JOIN ME IN **40 DAYS OF PRAYER & FASTING** FOR **OUR AMERICA!**

Is there any question remaining, that Satan is intent on seeing the USA destroyed and rebuilt in his image?

I am convinced that just as Satan's plans failed in Exodus' Egypt, King Herod's Bethlehem, and Agrippa's Prison, his agenda in America will come to naught.

However, I am equally convinced that his plans will fail for the same reason they failed in The Holy Bible: because seemingly common men and women joined together in earnest prayer and fasting to release God's power!

**Beginning September 25th**, I will be

fasting and praying for God's hand of judgement to be extended against the wicked and for God's hand of blessing to be extended to the homes of the righteous.

### **Will you join me?**

I'm asking you to fast all food from 6am-6pm, with the fast concluding on November 4th. Adalis and/or myself will be joining you online every day for 40 days in the Word & Prayer—breaking together on November 4th. Together we have seen God increase us through 2020, and we are excited to see what God will do to conclude this year!

Our nation hangs in the balance.

Love Always,  
Jonathan Shuttlesworth

# A CALL TO REACH AFRICA

– Ev. Jonathan Shuttlesworth

**I**n the old days, reaching Africa with The Gospel meant months long voyages with several of your team suffering and possibly succumbing to malaria or yellow fever. Brave missionaries gave their lives to reach a handful of people.

## A DOOR TO A MULTIPLIED HARVEST OF SOULS

One missionary I know told a story of painstakingly crossing rivers and mountains for three days to bring The Gospel to a remote tribe only to find them watching Adalis & I preaching on Satellite TV. In this last hour of time, God has given us a way to do in one hour, what used to take six months!

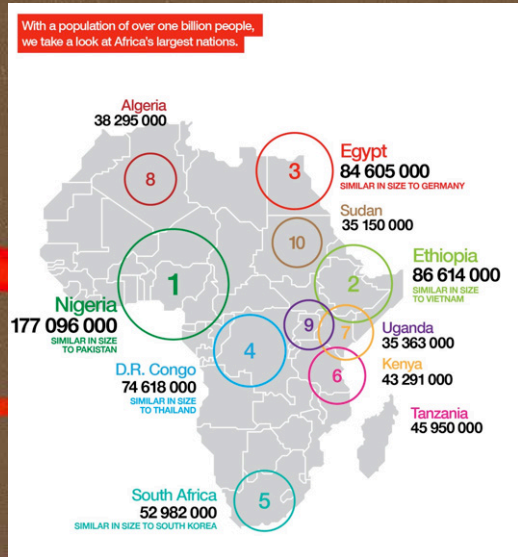

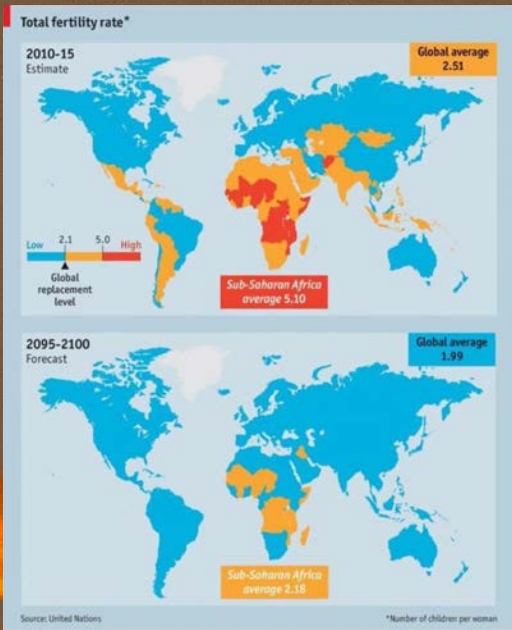

## A YOUNG, MOLDABLE CONTINENT

With a median age of only 18 (!) Africa is a VERY YOUNG continent. In contrast, the median age of the USA is 38. By 2100, 40% of the world population will be African. A battle rages between Islam, Atheism, and Christianity for the soul of this young continent.

Will you help me take The Gospel of Jesus Christ to Africa?

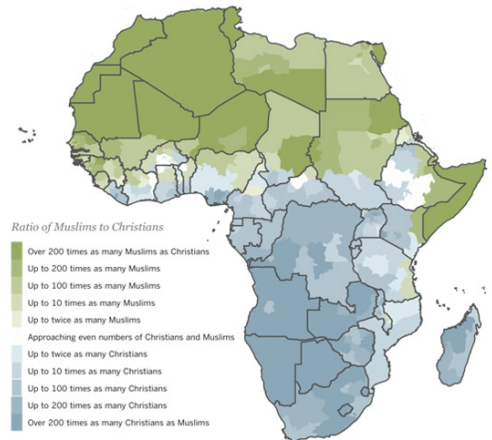

We have inked an aggressive contract to saturate this great continent 5x a week in Prime-Time with The Word of God. The response has already been 10x what we receive in the USA.

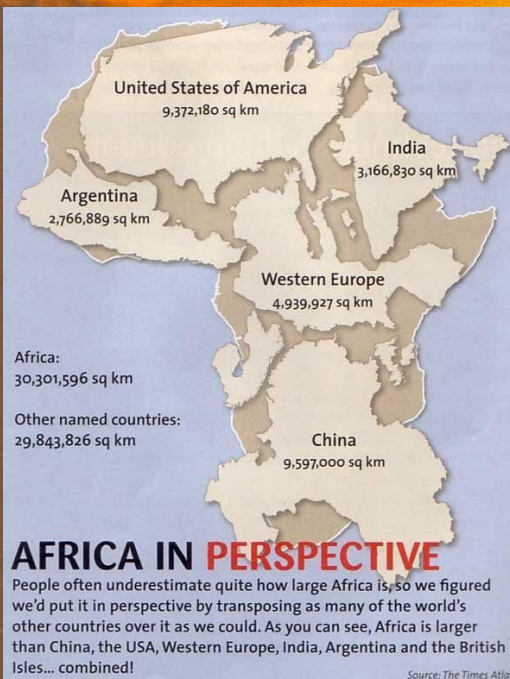

### Muslims and Christians in Africa

This map shows the ratio of Muslims to Christians in each country and province. The north is heavily Muslim, and the south is heavily Christian.
